It is hereby enacted in the Eighteenth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title commencement and duration.

1. (*1*) This Act may be called the Calcutta Municipal (Second Amendment) Act, 1967.

(2) It shall come into force at once; but sections 2 and 3 shall be deemed to have taken effect on the 16th day of August, 1966.

"Provided further that where by reason of an order of a Court or for any other reason effect cannot be given to the rates so determined at any time during the year for which they have been determined, the consolidated rate and taxes for such year shall—

The Calcutta Municipal (Second Amendment) Bill, 1967.
(Clauses 3, 4.)

(*b*) where such rates are set aside or annulled by a competent authority, until a fresh determination of the rates for such year is made in accordance with the provisions of this Act,

be levied at such rates as were in force during the year immediately preceding such year.".

Insertion of new section 127A.

3. After section 127 of the said Act, the following section shall be inserted, namely:—

"Power to State Government to set aside Budget Estimates.

127A. (1) Notwithstanding anything to the contrary contained elsewhere in this Act, where, in the opinion of the State Government, the Budget Estimates of the income and expenditure for any year adopted by the Corporation under clause (*a*) of sub-section (*3*) of section 127—

(*a*) have been so adopted in contravention of the provisions of this Act or any rules made thereunder, or

(*b*) are not in conformity with such provisions,

the State Government may, if it considers it necessary so to do for the purpose of ensuring that the municipal administration of Calcutta does not suffer, after considering any representation which may be made by the Corporation, set aside such Budget Estimates by an order made in this behalf, and thereupon the Budget Estimates framed and finally approved for such year by the Standing Finance Committee under sub-section (*1*) of section 127, with such modifications and additions thereto as the State Government may, having regard to all the requirements of this Act, direct by such order to be made by the Commissioner, shall, without prejudice to the Corporation's powers under sections 128 and 129, be deemed to be the Budget Estimates of the income and expenditure for such year duly adopted by the Corporation under clause (*a*) of sub-section (*3*) of section 127 and taking effect from the beginning of such year.

(*2*) Where the State Government makes an order under this section setting aside the Budget Estimates adopted by the Corporation for any year under clause (*a*) of sub-section (*3*) of section 127, the State Government may also by such order set aside the rates determined for such year by the Corporation under clause (*b*) of that sub-section if such rates contravene the provisions of Part IV, and fix, having regard to the provisions of that Part, the rates for such year in such manner as it thinks fit, and the rates so fixed by the State Government shall be deemed to be the rates determined by the Corporation for the levy of the consolidated rate and taxes for such year under clause (*b*) of sub-section (*3*) of section 127 and shall take effect from the beginning of such year.".

Amendment of section 156.

4. After sub-section (*2*) of section 165 of the said Act, the following sub-section shall be added, namely:—

"(*3*) Notwithstanding anything to the contrary contained in sub-section (*1*) or in any other provisions of this Act,—

(*a*) the consolidated rate that may be imposed in respect of a *bustee* shall not exceed eighteen *per cent.* on the annual valuation of the *bustee* determined under this Chapter;

The Calcutta Municipal (Second Amendment) Bill, 1967.

(Clause 5.)

(*b*) the consolidated rate imposed upon any *bustee* in respect of any quarter during the period from the first day of April, 1966 to the day immediately preceding the quarter from which the consolidated rate assessed according to the provisions of clause (*a*) becomes payable, shall, if it exceeds eighteen *per cent.* on the annual valuation of such *bustee*, be revised so that the consolidated rate does not exceed eighteen *per cent.* on the annual valuation of such *bustee* and the assessment book shall be amended by recording the amount found to be payable after such revision.".

Repeal and savings.

5. (*1*) The Calcutta Municipal (Amendment) Second Ordinance, 1966 is hereby repealed. West Ben. Ord. XVII of 1966.

(*2*) Notwithstanding such repeal, any order made or deemed to have been made, notification issued or deemed to have been issued, thing done or deemed to have been done, or action taken or deemed to have been taken under the said Act as amended by the Calcutta Municipal (Amendment) Second Ordinance, 1966, shall continue to be in force and shall be deemed to have been validly made, issued, done or taken, as the case may be, under the said Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS.

The Budget Estimates for the year 1966-67 as adopted by the Corporation of Calcutta having, in some respects, deviated from the provisions of the Calcutta Municipal Act, 1951, it has become necessary to provide in the Act that in such a case the State Government may by an order give requisite directions to regularise the Budget Estimates so that the municipal administration of Calcutta may not suffer and further that so long as the consolidated rates and taxes determined in the Budget Estimates cannot be given effect to, they may be levied at the rates in force during the previous year. Hence this Bill. The Bill also provides that the consolidated rate on *bustees* shall not exceed 18 per cent. on the annual valuation thereof.

"(d) all or any of the matters which, under any provision of this Act, are required to be prescribed or to be provided for by regulations.".

STATEMENT OF OBJECTS AND REASONS.

The Durgapur (Development and Control of Building Operations) Act, 1958 was enacted with the object of securing planned development of, and the control of building operations in, Durgapur. The Durgapur Development Authority constituted under the Act was, however, empowered merely to enforce certain directions issued by the State Government under section 4 of the said Act. It has become now evident that besides mere enforcement of regulatory measures, the Authority must also undertake preparation and execution of development schemes necessary for securing planned development of Durgapur. Besides, it must have power to own a fund, to open bank accounts, to appoint officers and employees, to maintain accounts, to prepare annual budget, etc.

The present Bill seeks to remove these lacunae under the Act. Under the Act as proposed to be amended the Authority will have a corporate status, it will acquire, hold and dispose of properties, undertake preparation and execution of development schemes, open bank accounts, have its own fund, realise fees for permission to erect buildings, appoint its own officers and servants, etc. and will have the necessary ancillary powers in connection with them. The Authority will also have power to adopt its own budget. The administrative relationship between the State Government and the Authority has also been fully defined under the Act as proposed to be amended.

JEHANGIR KABIR,
Member-in-charge.

CALCUTTA,
The 31st March, 1967.

FINANCIAL MEMORANDUM.

Clause 6 of the amending Bill provides for creation of a Fund for the Durgapur Development Authority and lays down that all moneys received by the Authority by way of fees, charges, fines, grants, loans, etc., will be credited to that Fund.

Clause 3 of the amending Bill seeks to empower the Durgapur Development Authority to execute Development Schemes in Durgapur Area relating to development of land, township, housing, water-supply, sanitation, communications, etc., with the approval of the State Government, and at the initial stage funds for these purposes will have to be provided by the Government.

It is not possible to give any indication of the exact financial implication for the State Government at this stage. When, however, the Government will decide to entrust any scheme to the Authority for execution and to make any grant or advance any loan to the Authority for the purpose, necessary provisions will have to be made in the budget in due course.

Employees' Union, 141 Sarat Bose Road, Calcutta-26, regarding the issue mentioned in the said order being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (Act 14 of 1947), was referred for adjudication to the Second Industrial Tribunal;

And whereas the said Second Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (Act 14 of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an Industrial dispute between Messrs. Paterson Engineering Co. (P) Ltd., 21 Shakespeare Sarani, Calcutta-16, and their workmen represented by the Paterson Engineering Co., Employees' Union, 141 Sarat Bose Road, Calcutta-26. (Case No.VIII—344 of 1965).

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri S. K. BHATTACHARYYA, Judge,
Second Industrial Tribunal.

Government of West Bengal, in the Labour Department, by its order No. 6866-I.R./IR/10L-98/65, dated Calcutta, the 27th December 1965, referred an industrial dispute between Messrs. Paterson Engineering Co. (P) Ltd. and their workmen represented by the Paterson Engineering Co. Employees' Union to this Tribunal for adjudication on the following issue:

Issue

Whether the termination of service of Shri K.C. Sharma is justified? To what relief, if any, is he entitled?

After service of notice, both parties entered appearance and filed respective written statements.

The union in its written statement filed on 21st March 1966, inter alia, contended that Paterson Engineering Co. (P). Ltd., was engaged in designing, suppling and installing water purification plants, water softening plant, etc., and employed about 116 workmen in Calcutta. The workmen of the company, numboring about 80, formed a union in 1963 under the name and style of Paterson Engineering Co. Employees'

Union and the said Union was registered on 14th May 1963. The Company paid very low wages to its employees and the general behaviour towards the employees was rude and unworthy of a respectable institution. One of the important and active members of the union Shri K.C. Sharma, a chemist of the company, joined the union from its inception. His participation in the union was not looked upon by the management with good grace and the company was on the look out for a way to victimise him. On 22nd May 1964, the company suddenly issued a notice of termination of service of Shri Sharma without issuing any charge -sheet or holding any prior enquiry. Said order terminating the service of Shri Sharma was palpably mala fide and the workmen of the company challenged the propriety of the said order, as it involved the question of security of service of all the employees. The union unsuccessfully took up the case of Shri Sharma with the company and finally wrote to the Labour Commissioner, Government of West Bengal, and a conciliation proceeding was started. At the said conciliation proceeding the company took up the position that it was a case of discharge simpliciter and Shri Sharma was not a "workman", being a member of the supervisory staff, drawing more than Rs. 500 per month. The union contended that Shri Sharma did not belong to the supervisory staff but was a technical staff and the termination was not a case of discharge simpliciter. The union further asserted that the Company acted mala fide in the matter of termination of Sharma's service and prayed for his reinstatement with all arrear wages, etc.

The company in their written statement filed on 21st May 1966, inter alia, challenged the order of reference as ultra vires and invalid and asserted that the Tribunal had no jurisdiction to adjudicate the issue referred to it. The company asserted that Shri Sharma was not a workman, as he was employed in a supervisory capacity on a salary exceeding Rs.500 per month. The company further asserted that the union was not competent to raise any dispute over the termination of Shri Sharma's service as he was not a member of the Union at the relevant time and the dispute being an individual dispute, not supported by a body of workmen, could not be regarded as an industrial dispute. The company further contended that the Tribunal has no jurisdiction to go into the matter as the termination in the instant case was a case of discharge simpliciter.

The union examined four witnesses including Sukumar Ghosh, Secretary of the union, Ajoy Roy, one of the chemists of the company, Ajit chakrabarty, one of the founder members of the union and K.C. Sharma, the concerned employee. The company, on the other hand, examined S.K.Gore (O.P.W.1), one of the Directors of Paterson Engineering Co. (P) Ltd., and a former Manager, Sukumar Chatterji (O.P.W.2), an Assistant in the office of the Registrar of Trade Unions and Samarkumar Ray (O.P.W.3), a former Secretary of the Company.

Appearances of the parties are as follows :

For the Union : Shri D.L. Sengupta, Advocate.

For the Company : Shri C.L. Ganguly, Advocate.

Decision

Admittedly K.C. Sharma was appointed as a chemist of the company and worked for about 18 years. He was a B.Sc. of Agra University and at the time of termination of service was employed in the time scale of Rs. 245-15-335-20-390. It is an admitted fact that Shri Sharma at the time of termination of his service was drawing Rs. 637.94P. per month inclusive of D.A. On 22nd May 1964. the Company wrote to Shri Sharma intimating him that his service will not be required as and from the close of business on the 30th May 1964 and he was requested to proceed on 30 days' privilege leave that was due to him. Consequently his service must be taken to have been terminated with effect from 30th June 1964 on the basis of the letter. dated 22nd May 1964 (Ext.A.). Sharma replied to this letter on 4th June 1964 (Ext.1) challenging the termination of his service on the ground that it was passed in utter disregard of the provisions of law and in mala-fide exercise of power. He requested the management to withdraw and cancel the aforesaid notice. The management replied on 16th June 1964 controverting the position (Ext. B) and thereafter on 27th July 1964, Sharma addressed a letter to the company through his lawyer Shri Madhu Roy (Ext.C) requesting them to withdraw the illegal notice and to reinstate him. The Company replied to this letter on 10th August 1964 (Ext.D) and on 7th August 1964 Sharma requested the Secretary of the Paterson Engineering Co. Employees' Union to take up his case. The Union thereupon took up the matter with the management in their letter, dated 10th August 1964 (Ext. A) and finally on 25th August 1964 the union wrote to the Labour Commissioner whereupon certain conciliation proceeding were initiated.

The objections taken by the company to this reference are as follows :—

(a) The dispute is an individual dispute and not an industrial dispute.

(b) The union was not entitled to excuse the case of Shri Sharma as he was not a member of the Union on the date of termination of his service.

(c) Sharma was not a "workman" within the meaning of section 2(S) of the Industrial Disputes Act, 1947.

(d) Even assuming that Shri Sharma was a workman and the dispute was an industrial dispute, termination of service of Shri Sharma being a discharge simpliciter made in the bona fide exercise of the employer's power, could not be questioned by the Tribunal.

I shall take up these objections seriatim.

(a) It is well settled that a dispute between an employer and single employee is not an industrial dispute with the meaning of secton 2(k) of the Industrial Disputes Act unless it was taken up by other workmen as a body or by a union representing them. It has been held by the Supreme Court in Bombay Union of Journalist's Case reported in A.I.R. 1963, S.C., page 380 that if a dispute in its inception was an individual

dispute and continues to be such till the date of the reference, it could not become converted into an industrial dispute by the support given to it subsequent to the reference, even though such support is by the workmen interested in the dispute. In the Indian Cable Company's case reported in 1962 (1) L.L.J., page 409, Supreme Court held that validity of the reference must be judged as at the date and if at that date the dispute is only an individual dispute, the reference would be invalid and subsequent support by a union or other workmen cannot make an unvalid reference valid. It therefore remains to be seen whether the dispute is the instant case was taken up by the union before the order of reference was made. Undoubtedly the union came into existence in February 1963 and it was registered on 14th May 1963, with the Registrar of Trade Unions. The certificate of registration has been marked Ext. 10. The union thus came into existence long before Sharma's service came to be terminated by the Company and it is also in evidence that the Union took up the matter with the Labour Commissioner on 25th August 1964 (vide Ext. 5) when a conciliation proceeding was started and the present reference was made on 27th December 1965. There can therefore be little doubt that the union took up the issue with the Labour Commissioner long before the order of reference was made and as the dispute in the instant case is one concerning reinstatement or non-employment of Shri Sharma it must be considered to be an industrial dispute and not an individual dispute.

(b) It now remains to be seen if the union was entitled to espouse the cause of Shri Sharma. It is contended on behalf of the company that the Union was not entitled to sponsor the dispute as Shri Sharma was not a member of a union on the date of his termination of service. In support of its proposition reliance was placed upon to a decision of Punjab High Court reported in 1966 (11), L.L.J., page 261 and another decision of Andhra Pradesh High Court, reported in 1964, (1), L.L.J., page 622. In the Punjab case it was no doubt held that an individual dispute can become an industrial dispute if the cause of an individual worker is espoused by a union of which such worker was a member on the date of dismissal and not subsequent to it. In the said case the service of the concerned workmen were terminated by the Gram Ujjag Bhawan on 1st September 1963 and the workman became a member of the union in October of the same year whereupon the Union took up the cause of the worker and got the reference made. On a motion by the Gram Ujjag Bhawan that the Union was incompetent to take up the cause of the worker as he was not a member of the union on the date of his dismissal and the dispute therefore was an individual dispute and not an industrial dispute, the High Court upheld the plea. In the latter case the workman was dismissed in October 1957 and the dispute with regard to his dismissal was taken up by 104 co-workmen out of a total of 2,170 in the establishment. It was espoused by a union of which workmen in other similar establishment were members. The matter was referred to the Tribunal for adjudication after a delay of 4½ years and the High Court in allowing the Writ Petition of the employer held that inordinate delay in making the reference is unreasonable and unjustified. Their Lordships further held that the support of 104 out of 2,170 employees to the cause of the individual dismissal was not sufficient to convert the individual dispute into an industrial dispute and the other workmen in other establishments though engaged in same line of business could not be said to have any direct or substantial interest in the case of such dismissed employee. The Supreme Court, however, laid down in Rothak General Transport Company's Case reported in 1962 (1), L.L.J., page 634, that it is now well settled that it is open to minority of the workmen or a minority union to raise an industrial dispute under the Act. In the said case five out of a total number of 22 workmen including two discharged workmen supported the dispute whilst the others did not and the Labour Court upheld the objection that the reference was incompetent as the dispute had not been sponsored by a substantial section of workmen and rejected the reference. On appeal the Supreme Court held as above. Besides, the evidence adduced in this case clearly points to the fact that Shri Sharma became a member of the union long before the termination of his service. The union was started on 15th February 1963 and the notice convening a meeting of the union on 12th February 1963 was signed by Shri Sharma along with three other convenors. This notice has been marked Ext. 8 and it appears that the members present at the meeting held on 15th February 1963 also included Shri Sharma whose name appears against serial seven in the list of thirty-four members present. Then again Shri Sharma also appears to have attended the special general meeting of the union held on 17th May 1963 and his name appears 15th in the list of 30 members who attended the meeting. The union also produced subscription register of the union and in the said register Sharma appears to have regularly paid his subscription from February 1963 onwards. His name appears against serial No. 48 in this register. Sharma also produced the receipts obtained by him after payment of subscription to the union and I have compared these receipts with the entries in the register of subscription and they were found to tally. The company has not been able to place any material whatsoever to discredit the register and receipts and my attention was drawn to the clean and fresh condition of the register and receipts which, it was contended could not otherwise be the case if they were real receipts and records. It is true that the register and receipts appears to be fresh but on a careful checking, I have not been able to find any discrepancy in the entries made therein and it would not be proper to reject this evidence merely on the ground that they look fresh. I must therefore hold that Shri Sharma was a member of the Union from its very inception and the Union was therefore entitled to sponsor his case so as to convert the individual dispute into an industrial dispute.

(c) It is contended on behalf of the Company that Shri Sharma was not a workman within the meaning of section 2(s) of the Industrial Disputes Act and as such the dispute clould not be regarded as an industrial dispute in this case. Shri Sharma was admittedly appointed as a chemist and he held this post for the last 18 years. There were two categories of chemists in this Company—junior and senior—and from the revised terms and condition of service of the Company (Ext. 1) the chemists were included under the category of technical staff along with tracers, draftsmen and erectors. There was no such category as supervisory

staff in the revised terms and conditions of service (Ext. 1). It was further contended on behalf of the Company that Shri Sharma was employed in a supervisory capacity, drawing wages exceeding Rs. 500 and as such he cannot be regarded as workman within the meaning of section 2(s) of the Industrial Disputes Act. Section 2(s) defines a workman and—

> "means any person (including an apprentice) employed in any industry to do any skilled or unskilled manual, supervisory, technical or clerical work for hire or reward, whether the terms of employment be expressed or implied, and for the purposes of any proceeding under this act in relation to an industrial dispute, includes any such person who has been dismissed, discharged or retrenched in connection with, or as a consequence of, that dispute, or whose dismissal, discharge or retrenchment has led to that dispute, but does not include any such persons :—
>
> (i) .....
>
> (ii) .....
>
> (iii) .....
>
> (iv) who, being employed in a supervisory capacity, draws wages exceeding five hundred rupees per mensem or exercises, either by the nature of the duties attached to the office or by reason of the powers vested in him, functions mainly of a managerial nature."

According to Shri Sharma (P.W. 4) his job was purely technical and not supervisory. His principal job was water testing, making chemical solutions for testing purposes and fixing doses for water treatment outside. In cross-examination he further stated that although he had instructions to carry out the work, his discretion was not in any way fettered in actual worksite as to how and in what manner the instruction should be implemented. He, however, modified the statement by saying that his discretion at the worksite was fettered by the Company on many occasion. Satish Yashwant Gore (O.P.W. 1) who is a Director of the Paterson Engineering Company in his evidence stated that a chemist's work was to analyse the water and determine the method of treatment in the laboratory and to see that this treatment was followed at the worksite. The chemist had to use his own knowledge in determining the method to be adopted for water treatment and for this purpose he is not required to take any orders from any one. He, however, stated that Shri Sharma was employed in the supervisory capacity and chemists and erectors come within the supervisory capacity though described as technical staff in the revised terms and conditions of service, Ext. 1. What prevented the Company to mention these categories of workmen as supervisory staff in the revised terms and conditions of service has not been made clear. In cross-examination Shri Gore stated that the principal work of Shri Sharma was water analysis and determination of method of treatment and also to go to the worksite for carrying out the said treatment. The witness further stated that occasionally the chemist was also required to set up plant with the help of coolies in the absence of erector. Another Chemist of the Company Shri Ajoy Roy (P.W.2) was examined by the Union and he stated in his evidence that Shri Sharma never supervised his work nor gave any direction to him in connection with his work. This evidence unmistakably shows that the work of Shri Sharma was of technical nature and even if he had to work in any supervisory capacity, it was only incidental part of his job. An employee performing skilled or unskilled technical work would come within the definition of workman under section 2(s) of the Industrial Disputes Act unless his case falls within any of the exceptions provided in clauses (i) to (iv) of section 2(s) of the Act. It was contended on behalf of the Company that Shri Sharma's case came within clause (iv) of these exceptions. In order that an employee is covered by clause (iv) he should not merely be employed in a supervisory capcity but would also draw wages exceeding Rs. 500 per month. As I have already pointed out that the duties of Shri Sharma were merely technical in nature and even if he had to work in a supervisory capacity, it was only an incidental to his job and such a work cannot come within the exception provided in clause (iv) of section 2(s) of the Industrial Disputes Act.

(d) In the letter terminating his service (Ext. A) no reasons were assigned by the Company and it was merely pointed out that his service would not be required as and from a certain date. Sharma protested against this order of termination in his his letter, dated 4th June 1964 (Ext. L), which was replied to by the Company on 16th June 1964 (Ext. B). The Company denied that the termination of service was illegal, unjustified, mala fide or wrongful. The stand was reiterated by Shri Sharma in a letter written by his lawyer on 27th July 1964 (Ext. C) and this was again repudiated by the Company on 10th August 1964 (Ext. D). Admittedly Sharma was a permanent employee and no enquiry was held. Even Shri Gore (O.P.W.1) admitted in cross-examination (page 5) that he had no papers to show what consideration weighed with the Company in terminating the service of Shri Sharma. He however denied the suggestion that Shri Sharma had been victimised for his connection with the Union, a contention which has been canvassed on behalf of the Union, and which is the circumstances of the case cannot be altogether ruled out. It is an admitted fact that Shri Sharma was once demoted in December 1962 when he made a representation to Director Mr. Fowler and was promptly reverted to his original post. It is true that this step was taken at a time when the Union did not come into existence but it is to be pointed out that the Union came to be formed within two months of this action. In the absence of any Standing Orders providing for such termination of service and there being no express contract permitting the employer to discharge his employee with a notice, the termination in the instant case cannot be regarded as bona fide. No reason was assigned by the Company why they thought it fit to dispense with the service of an employee whom they have tolerated for 18 long years. On behalf of the Company reliance was placed upon the case of Assam Oil Company Ltd., reported in 1960 (1) L.L.J., page 587, in this connection. In that case Supreme Court held that the Industrial Tribunal could not question the validity, propriety or legality of an order of discharge in a case of discharge simpliciter where an employer purports to terminate the service of his

employee by virtue of power conferred on him by the terms of contract. It is to be pointed out that in the said case fault of the employee was pointed out to her and her performance was not up to the standard. In another case relied on by the learned Advocate of the Company reported in 1966-67 (30 F.J.R.), page 442 the Punjab High Court held that in the absence of a standing orders or other contract of service between the employer and his workmen the conditions of his service were governed by the Delhi Shops and Establishment Act, 1954, and as the termination of service was bona fide and in compliance with the provisions of the aforesaid Act, the Industrial Tribunal could not interfare with the same. This argument has not been canvassed before me nor can the corresponding provision of section 15(i) of the West Bengal Shops and Establishment Act, 1963, be said to be attracted to the facts and circumstances of the present case. That being the position and as the Company has failed to assign any reason for the discharge of a permanent workman, the Tribunal cannot upheld the termination as a bona fide case of discharge simpliciter. On behalf of the Union it was sought to be contended that this was a clear case of victimisation but on this point the evidence cannot be said to be very satisfactory. However for the reasons already discussed I must held that this was a case of unfair labour practice where the company proceeded to terminate the service of a permanent employee which they were not entitled to do under the terms of the contract and the termination cannot also be construed as bona fide in the circumstances of the case. It follows therefore that the termination in the instant case must be held to be unjustified and Shri Sharma is entitled to be reinstated to his former post. As Shri K. C. Sharma is out of employment ever since the termination of his service he will get full pay and allowance from the date of termination of employment till the date of his reinstatement.

This is the award of the Tribunal and it will become enforceable on the expiry of thirty days from the date of its publication in the "Calcutta Gazette."

AWARD

The Government of West Bengal, in its Labour Department, by order No. 217-I.R./IR/7L-20/65, dated 20th January 1967, had referred the following industrial dispute between Messrs. Wellington Jute Mills, P. O. Rishra, district Hooghly (Managing Agents: James Finlay & Co., Ltd., 2 Netaji Subhas Road, Calcutta-1), and their workmen represented by Jute Workers' Federation, 35B Wellington Street, Calcutta, to this Tribunal under section 10 of the Industrial Disputes Act, for adjudication. The issue under reference is as follows:

Issue

Is the Management justified in not promoting Shri Bagala Chatterjee to "SB" and/or "SA" grades ? What relief, if any, is he entitled to ?

After the service of the usual notices, both parties appeared on 20th February 1967, and filed a joint petition of settlement stating that the dispute had been amicably settled by them and prayed for an award in terms of the petition of compromise. It appears to me that the terms of the settlement are bona fide, legal and proper, and should be given effect to. I

pass a no-dispute award accordingly making the petition of settlement as annexure to this award. This is my award.

AWARD

By order No. 3602-I.R./IR/11L-273/64, dated the 17th August 1964, the Government of West Bengal in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Gladstone Lyall & Co.

Ltd., 4 Fairlie Place, Calcutta-1 and their workmen of Roofing-Painting Department represented by Shri A. L. Roy, General Secretary, Paharpur Steel Rolling Mills & Engineering Workers' Union, 3 Joy Krishna Paul Road, Kidderpore, Calcutta-23, regarding the matter specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, by notification No. 808-I. R./IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issue

Whether the dismissal of 62 workmen (Serial Nos. 1 to 62 of the list enclosed) and refusal of employment to 226 workmen (Serial Nos. 63 to 288 of the list enclosed) are justified ? To what relief, if any, are they entitled ?

The list mentioned in the award has been marked as Annexure "A".

On receipt of order of reference, usual notices were issued on the parties fixing 18th September 1964 for their appearance as also for filing of the written statement by the Union. Both the parties appeared on that date but the Union took time to file the written statement. On 22nd September 1964 the Union filed its written statement and 8th October 1964 was fixed for filing of the written statement by the Company. After taking several adjournements, the Company filed its written statement on 1st December 1964. In the meantime, to be more precise, on 4th November 1964, an order disallowing the Company to be represented by any legal practitioner was passed. On 1st December 1964, the Company filed a petition for reveiw of the order and for permission to be represented by its legal representative. This petition of the Company was rejected by order No. 9, dated 18th December 1964 of this Tribunal. Against this order the Company moved the Hon'ble Court and obtained therefrom an order allowing it to be represented by its legal representative. The record from the Hon'ble Court was received back on 17th January 1966 and on 24th May 1966 Shri Jaga, one of the dismissed workmen, appeared and filed a petition praying for permission to be added as a separate party to the proceedings on the ground that the Union was not representing his case. Thereafter on 25th June 1966, a joint petition of compromise was filed by the Union and the Company. By this petition the parties prayed for an award disposing of the industrial dispute under reference in terms of compromise as mentioned in the joint petition but as the workmen Shri Jaga had already complained that his case was going unrepresented and prayed for separate representation, no final order was passed on the petition on 25th June 1966 or on any of the subsequent dates. By order No. 34, dated 30th September 1966, Jaga's prayer for seperate representation was allowed and he was directed to file his written statement. On 23rd December 1966 written statement was filed on behalf of Jaga and 6th February 1966 was fixed for hearing of the reference case. On Company's petition for adjournment filed on 6th February 1966, the hearing was adjourned to this day. This day, however, when he case was taken up for hearing, the Company filed petition stating that Shri Jaga Mistry had died. As none on behalf of Shri Jaga Mistry appeared to pursue his case or to protest against his death report as submitted by the company, there cannot be any reason to doubt the *bona fides* of the Company's petition in reporting the death of Shri Jaga Mistry. His case must, therefore, be dealt with on the footing that he is dead.

With the death of Shri Jaga Mistry, his case for reinstatement has abated.

The other workers mentioned in the list annexed to the order of reference, are all represented by the Union and it has already been observed that on 25th June 1966 the Union and the Company have filed a joint petition stating that the industrial dispute under reference has been amicably settled out of Court, on terms mentioned in the petition and praying for an award in terms of the petition. The joint petition was signed by Shri A. L. Roy, General Secretary, Paharpur Still Rolling Mills and Engineering Workers' Union as also by Shri J. K. Ghosh, Company's Legal Representative. Several workers as also the Legal Adviser of the Company and the President and General Secretary for the General Workers Union of Gladstone Lyall & Co. Ltd. were also signatories to that petition. I have heard the parties' representatives and also perused the joint petition. The terms of Settlement as embodied in the joint petition appear to be quite fair and reasonable. I am satisfied that the Union representating all the workers except Shri Jaga Mistry, has compromised the industrial dispute with the Company on the terms mentioned in the joint petition. The terms be recorded and a compromise award relating to the industrial dispute between the workers represented by the Union and the Company, on terms mentioned in the joint petition, be passed. The joint petition do form part of the award, marked as annexure "B".

The industrial dispute so far it relates to Shri Jaga Mistry do stand abated.

This is my award.

AWARD

By Government of West Bengal order No. 3929-I.R/IR/11L-287/65, dated 30th September 1966, an industrial dispute between Messrs. Hindusthan Lever Ltd., 1 and 3 Brabourne Road, Calcutta-1, hereinafter referred to in this award, as the company, and their workmen represented by Hindusthan Lever Mazdoor Sabha, was referred to this Tribunal, for adjudication on the following issues:—

Issues

Is the human rationalisation as a measure of economic reorganisation of the company reflected through job-integration that have either been effected or proposed to be effected justified?

To what relief, if any, are the workmen entitled?

The reference was received in this Tribunal on 3rd October 1966. Few days thereafter, to be more precise, on 18th October 1966, these 7 applications under section 33A, of the Industrial Disputes Act, 1947, numbered and registered as Nos. 160 to 164 of 1966 and 166 and 167 of 1966, were filed by 7 different employees of the company, namely, Shri Ram Mohan Roy, Shri V. S. S. Krishnan, Shri Anil Kumar Halder, Shri S. C. Basu, Shri Sourendranath Banerji, Shri J. Bhattacharya and Shri Batoo Lahiri. As the same questions of law and facts were involved in all these cases they were taken up for analogous hearing.

Messrs. Hindusthan Lever Ltd., is admittedly a big business concern with Head Office at Bombay and branches all over India, including one at Calcutta. In April 1966, the company announced its policy for reorganising the marketing department of the Calcutta Branch and it actually reorganised the office staff and salesmen of the branch in August and September 1966, respectively. Some workers of the department, however, declined to work under the new set up unless informed in writing the changes introduced and also the works they would be required to do under the reorganised scheme and on 8th September 1966, the management issued to the workers a directive informing them that they would be treated as not working and would not earn their pay if they do not carry out the work entrusted to them. This threat of withholding of the pay as contained in the notice was considered by the applicant workers an intrusion on their service conditions under the company and they filed the instant applications stating that on the basis of the notice the management would withhold their pay for October 1966, also. In the petitions they have alleged that by intimating their intention to withhold their pay for October 1966, the management have not only changed their service conditions but have also contravened the provisions of section 33(2)(b) of the Industrial Disputes Act, 1947, inasmuch as they have introduced the change during the pendency of the reference case aforesaid, without prior permission of the Tribunal and prayed for a direction on the company to pay them their October dues and also to maintain the status quo ante. Some of the applicants have also prayed for directing the company to pay their leave salary due from the company but the prayer was not pressed during trial. All the cases were contested by the company. Company denied that the reorganisation has caused any change in the condition of service of the applicants and submitted that as the workers did not work as required by it, it was perfectly justified to intimate them that they would not be paid their salary for October 1966. Company asserts that as it is an essential condition of service of the employee that he must obey the instruction of the management and carry out the work entrusted to them in the manner required by them and the present concerned workers have violated this essential condition of service they are not entitled to any salary for the period they have not worked.

As it is not disputed that the concerned workers have not as yet been paid their salary for 1966, in view of the pleadings of the contending parties, main question for determination will be:

(1) Has the company contravened the provisions of section 33(2)(b) of the Industrial Disputes Act, 1947, by withholding the salary of the concerned workers for October 1966? To what relief, if any, are the workers entitled?

All the concerned workers are attached to the marketing organisation of the Calcutta Branch of the company and it is now an admitted fact that before the introduction of changes in the marketing organisation in August/September 1966, the marketing department of the branch was divided into three divisions—(1) Food, (2) Soap and (3) Toilet. It is also not disputed that prior to the reorganisation all works in the department beginning from the sales to the godown were done divisionwise.

On 28th April 1966 Shri V. V. Patel, Marketing Manager at the Head Office sent to the President, Hindusthan Lever Mazdoor Sabha, the letter marked Ext. E/15 intimating him the desire of the management to reorganise the marketing divisions and inviting him for a discussion over the question of reorganisation. Subsequent to the letter the management and Sabha's representatives had several joint discussions over the question of reorganisation but they could not come to any unanimous decision. This will be apparent from the correspondence between the Sabha and the management exhibited in the case, on behalf of the concerned workers, and the company. Ultimately on 15th July 1966 Shri B. K. Rindani, Personnel Manager of Hindusthan Lever in the Head Office, addressed the letter, dated 15th July 1966, Ext. 8(e) in the case, to the President, Hindusthan Lever Mazdoor Sabha, intimating him that with immediate effect they would continue with the marketing reorganisation and it is in evidence that closely following this letter the salesmen and the office staff in the Calcutta Branch were reorganised, the latter in August and the former on 5th September. It is further in evidence that this reorganisation of the marketing department was a unilateral act of the company and was introduced by it in the face of strong opposition from the Sabha. It is further in evidence that immediately on receipt of the letter Ext. 8(e), the Sabha had approached the Labour Commissioner, Government of West Bengal, for immediate intervention in the matter of restraining the company's move of rationalisation and that the company has integrated the department flouting the request of Shri S. N. Banerji, Assistant Labour Commissioner, Government of West Bengal, not to introduce changes in the job contents of the workers till the matter was finally discussed and the apprehensions of the Sabha removed. This request of the Assistant Labour Commissioner was conveyed to the company by his letter, dated 12th August 1966, marked Ext. 3(m). By the said letter company was also requested to attend a joint conference on the question of reorganisation. Company ignored the letter and proceeded with the scheme of reorganisation and actually started the reorganisation in the 1st week of August 1966. As a result of the reorganisation one of the three former Divisions, namely Food Division was completely abolised and the products of the Division were distributed amongst the other two divisions with the respective nomenclature—Main Lines and Speciality Lines. In his evidence before this Tribunal, D. W. 6 Shri Inder Singh has said that reorganisation was made on the basis of geography i.e. to say, region other than product remains. Shri Inder Singh is at present a Regional Sales Manager in the Calcutta Branch and before the reorganisation he was responsible for the areas of Orissa, Assam, Bihar and West Bengal for Soap Group products. As reorganisation has been made keeping the region intact, it can be said on the basis of his evidence referred to above that since the reorganisation he is in charge of all the products of the company and not of Soap Division alone within this region. Consequent to the reorganisation, the staff was required to work under the integrated scheme. For instance, a clerk who previous to the reorganisation, was handling the products of Food Division alone was under the reorganisation scheme required to handle products of other divisions as well. This was dissented to not only by some of the workers but also by the Sabha and the latter issued to its members a circular to the following effect:—

> "If you find that there are any instructions which are not written, clear and reasonable, issued any time by any member of the management, such instructions have to be ignored. Please continue to do your own-divisionwise work which is your usual normal work. Charges in the terms and conditions of service brought about in an illegal manner are neither reasonable nor legal. Hence we are within our rights to stick to our normal work and duties and refuse all others imposed unreasonably and illegally. Please take care that we will not tolerate any exception to this instruction."

This circular was followed by refusal of the applicants to work under the new scheme and they asked the management for a notice of change as also written instructions regarding their duties under the new set up. The management first agreed but ultimately refused. This will be quite apparent from the evidence of Shri Inder Singh referred to above. In para. 2 of his evidence-in-chief before this Tribunal Shri Inder Singh said :

> "On the 9th of August 1966 this year reorganisation of marketing division was effected in the city branch of Calcutta. On that date Mr. Nayer, my colleague who is there a Sales Manager, I called the Stenographers and clerks attached to the marketing division of the Calcutta Branch and informed them that consequent to the marketing reorganisation there would be some changes and that these changes would nor affect their nature of work or the terms and conditions of service."

In cross-examination he said:

> "The employees requested us to have in writing the instruction at the meeting of the 9th August. We said that we would be prepared to do so. However, upon consideration of the merits of the matter we felt that since there was no change in the nature of their work or in terms and conditions of service being affected adversely there was no need for us to give it in writing. We did not give instructions exclusively either in writing or oral. In any case the instructions which we gave were confirmed by a letter of the Sabha of the 10th August."

No such letter of the Sabha confirming the discussions at the meeting of the 9th August 1966 is, however, on record; nor is there any document indicating that any of the disgruntled workers

had agreed to work under the new schemes. Previous correspondences between the company and the union on record no doubt indicate that since the meeting of the proposal for reorganisation, management had assured the Sabha that none of the workers would be retrenched and that their service conditions will remain unchanged and all of them would be gainfully employed. But there is no document to show that the management had ever intimated the workers the changes they want to introduce by way of reorganisation. It was argued on behalf of the Company that a reorganisation has not changed the job of any particular worker and by the very nature of their appointment under the company, the workers were under the compulsion to do the works given to them under the new set up, its not giving them any change of notice or any instructions in writing regarding their works under the integrated scheme, could not justify the workers' refusal to work under the new set up. It was argued that the workers who was appointed as a clerk and worked as such before the reorganisation, could be deployed as a clerk by the company in its various departments and called upon by it to do all such works under the reorganised scheme, as are consistent with his appointment as a clerk and that its refusal to give him any notice of change of reorganisation or any instructions regarding his duties under the reorganised scheme could be no ground for his not working under the new scheme. In my opinion, this argument rather over-simplifies the matter. True, the relationship of master and servant definitely implies the existence of power in the employer not only to direct what work the servant has to do but also the manner in which the work is to be done. It is also equally true that the management is the best judge to decide how best to reorganise his business. It has been authoritatively laid down that all employers have a right to reorganise the business and if such reorganisation becomes necessary for reasons of economy and/or convenience, then the simple fact that it led to discharge of some of the employees will not matter, and no inference can be drawn that such discharge was made mala fide. A person has a right to reorganise his business in any fashion he likes, for the purpose of economy or convenience, and nobody is entitled to tell him how he should conduct his business. The only limitation is that he should do it bona fide and not for the purpose of victimising his employees and in order to get rid of their services. (Royal Calcutta Golf Club vs. 3rd Industrial Tribunal and others reported in 1960(I) L.L.J. 464). This right of the owner to reorganise his business is, however, subject to the limitations as contained in section 9A of the Industrial Disputes Act, 1947, which sections says that "No employer, who proposes to effect any change in the conditions of service applicable to any workman in respect of any matter specified in the Fourth Schedule shall effect such change—

(a) without giving the worker likely to be affected by such change a notice in the prescribed manner of the nature of the change proposed to be effected; or

(b) within twenty-one days of giving such notice.

The Fourth Schedule of the Act mentions 10 items, of which item No. 10 is rationalisation, standardisation or improvement of plant or technique which is likely to lead to retrenchment of workmen and under section 9A such rationalisation must be preceded by a notice under section 9A. In the case of Messrs. North Brook Jute Co. Ltd., reported in 1960(I) L.L.J. at page 518 it was also held that "if a scheme of rationalisation was introduced with the object to decrease the cost of production, the scheme was clearly an alteration of condition of service to the prejudice of the workmen concerned if the effect of rationalisation was (1) some workers would become surplus and would face discharge and (2) other workers would have to carry increased workload". It was held by the Supreme Court in this case that no such scheme of rationalisation can also be introduced without notice under section 9A of the Act. This section 9A is mandatory and rationalisation which will have any of the effects mentioned in the Fourth Schedule or in North Brook Jute Co.'s case just referred to will be unlawful if not preceded by notice under section 9A. Orders issued under such reorganisation scheme will also accordingly be unlawful and no employee can be compelled by its employer to obey an unlawful order. One of the most important of the implied terms of every contract of service no doubt is that the servant should obey the master and submit to its authority and respect him. This is independent of the question whether the servant likes it or not. The legal duty to obey is on the servant. His duty of obedience is, however, only to the lawful comments of the master. For example, a servant is not bound to break the law in obedience to master's direction. Similarly orders which expose a servant to any grave danger, need not be obeyed by the servant unless he specifically undertakes to do the particular act. A servant need not risk his own safety in the service of his master and where he reasonably apprehends that such obedience would involve injury to him he need not obey the order. The applicants in the instant cases have refused to work under the integrated scheme as their union was of the opinion that orders for works issued to them under the integrated scheme were illegal/unreasonable and should not be obeyed by them.

Shri Sourendranath Banerji, applicant in case No. 164 of 1966, has refused to work under the new scheme also on the additional ground that the manner in which he was required to work under the scheme involved danger to his personal safety. If this apprehension of Shri Banerji had any basis and the union's interpretation of the orders issued under the scheme was prima facie correct, certainly the applicant-workers were justified to refuse to do works under the integrated scheme. In these cases I am not required to give my final decision regarding the legality or otherwise of the reorganisation scheme introduced by the company. All that I am required to do for the disposal of the cases is to find out whether the evidence—oral and

documentary—on record prima facie justified the workers' refusal to work under the new scheme. Stated in other words, to adjudicate the questions involved in these applications I will have incidentally to go to the question of reorganisation of the marketing staff in August 1966.

It has already been stated that in April 1966, the management of the company had decided to reorganise the marketing staff and Field Force of the Calcutta Branch. It has also been stated that whereas before the reorganisation the entire work under the marketing organisation was done on divisional basis, since the reorganisation the work is being done on regional basis. Originally there were three divisions, Food, Soap and Toilet Preparation in the marketing organisation and every work in the organisation beginning from the Sales to the Godown was done divisionwise. While reorganising the Field Force of Marketng Staff, the management abolished the system of division and on the basis of products completely abolished the three divisions and divided the entire organisation into (1) Main Lines and (2) Speciality Lines, on regional basis and distributed all its products among these two Lines. Old Food and Toilet Preparation and Soap Divisions ceased to have any separate identity since the reorganisation and a clerk who previously was attached exclusively to any of the divisions was under the reorganised scheme, required to handle works relating to products not exclusively of one of the three former divisions, but of one of the two Lines viz., Main Lines or Speciality Lines. This abolition of the three divisions and introduction of the scheme of division of products into Main and Speciality Lines was, however, introduced without any notice whatsoever to the workers and on the evidence of D.W. 6 Inder Singh it can be said that before the actual introduction of reorganisation, the workers of the marketing organisation of the Calcutta Branch were not even explained the scheme of the reorganisation and impact thereof on their respective works under the organisation. Stated in other words, it can be said, that without any prior intimation to the workers of their intention to abolish the three divisions and to re-group the products under Main and Speciality Lines on regional basis and also without giving them any time to study the scheme of reorganisation for appreciating whether the scheme would lead to an increase in their workload, the management has introduced the reorganisation. Though in his evidence D.W. 1 Shri B. K. Rindani has said that in April 1966 the reorganisation was announced, there is no evidence indicating that at that time or subsequently the management had ever disclosed to the union their intention to integrate the marketing organisation by abolishing the old divisions. To the contrary, management's letter, dated 25th February 1966, to the General Secretary, Hindustran Lever Mazdoor Sabha, marked Ext. 5 in the case, indicates that when in February 1965 the management was contemplating reorganisation of the Field Force they had no idea to abolish the divisions. Annexed to the letter was a brief note on some of the thinking of the management regarding reorganisation with a view to improve the efficiency of the operation and it will appear from this annexure that the scheme of reorganisation of the Field Force as outlined in the annexure, if introduced, would have led to several workers being surplus. According to this annexure the staff who would be surplus under the scheme included Stenographers, clerical staff, Propaganda Supervisors, Area Supervisors, Drivers, Service Men, Marketing Research Supervisors, etc. The staff who would be surplus under the scheme was in the annexure divided into two classes—(a) those who can be utilised in the business, etc., and (b) those who cannot be utilised, and the annexure further indicates that there was no guarantee of immediate utilisation of the surplus staff which according to the appendix could be utilised in the business of the company. The net result of the scheme of rationalisation as embodied in the annexure to Ext. 5 was quite a large number of employees being declared surplus, some of whom also had no prospect of being utilised in the company's business. This letter Ext. 5 was preceded by two reorganisations—one in the Assam Branch of the company and the other in its office at Calcutta [vide Exts. 4 and 3(h)]. The Assam Branch was integrated in 1964 and in Ext. 4 was outlined the integration scheme as also the reason for the integration. As in the case of Calcutta Branch so also in case of Assam, for the purpose of integration the products of the three former divisions were grouped under two lines and by letter, dated 3rd May 1966, marked Ext. 8, the Sabha requested the Marketing Manager of the company at Bombay to kindly let them know the results of the Assam experiment but evidence on record does not indicate management's compliance with the request. Before the integration Assam Branch too had three divisions and it appears from Ext. 4 that company had decided on the reorganisation of Assam to reduce the high operational costs for each division. As apparently expenses can be curtailed by reduction of staff also, to allay the fear of the staff of the Calcutta Branch that the reorganisation sought to be introduced in the Branch would not result in the retrenchment of any member of the staff or increase the workload, the management should have in all fairness informed the union the result of the Assam experiment, but instead of so doing and completely ignoring union's protest against reorganisation, the management integrated the staff of the Calcutta Branch. Not only that, as observed already, the scheme was introduced without the workers knowing how the scheme would be worked out. Before the scheme was introduced, the union had notice from Ext. 5, dated 25th February 1965, that the scheme of rationalisation of Field Force in contemplation of the management would result in several members of the staff being surplus. Not only that, it had also then the experience of some members of the service staff viz., Peons becoming surplus as a result of the reorganisation of the staff in June 1965 [vide Ext. 3(h)]. In these circumstances if union had the apprehension that the proposed reorganisation of the marketing organisation would result in some members of the staff becoming surplus, it

cannot be said that the apprehension was without any justification and I would presently show that apprehension came true when the reorganisation was actually introduced.

Of the several applicants in the case Shri Jyotirmoy Bhattacharya has deposed as P.W. 2. He is applicant in case No. 166 of 1966. Before the reorganisation he was admittedly working as packed stock control clerk, Toilet Preparation Division. In his evidence-in-chief at page 1 of his evidence he said that for each of the three divisions, such as food, toilet and soap, company had separate pack stock control section, each section being incharge of a separate clerk and he, Shri A. K. Chatterji, Shri P. B. Paul respectively worked in the Toilet, Soap and Food Divisions as Packed Stock Clerk. He said further, "Under the new system introduced by the company, the three divisions were consolidated and divided into two divisions, one called the Main Line and the other Speciality Line and one clerk was placed in charge of the Main Lines and one in charge of the Speciality Line. The result was the works of the Packed Stock Control Section was distributed amongst two clerks instead of amongst three as before, and Shri A. K. Chatterji was put in charge of Main Line and myself of the Speciality Line."

That before reorganisation the company had three packed stock clerks in the three divisions separately is also evident from the evidence of Shri Sudhindra Nath Bagchi, Assistant Accountant of the Calcutta Branch examined as D.W. 4 in the case. In his evidence-in-chief at page 2 of his evidence Shri Bagchi has no doubt said "As regards pack stock preparation, to his view there was no change in his job after the reorganisation," but this statement of Shri Bagchi cannot be given any weight as whereas formerly three clerks were doing the work of reconciliation of packed stock for soaps, food and toilet divisions, since the reorganisation only two are doing the work of reconciliation of Packed Stock of all the products of the company. As under the reorganisation scheme, as packed stock reconciliation clerk Shri Bhattacharji and Shri A. K. Chatterji are required to do the works formerly done by three including Shri Paul and there is no evidence on company's side indicating that compared to their working hours none of the packed stock clerks had before the reorganisation sufficient work, it must be held that the reorganisation has increased the workload of each of the two packed stock clerks. We find from D.W. 6 Shri Bagchi's evidence that the sales, products of the company had, on the whole, increased, which statement indicates corresponding increase in work of packed stock reconciliation department, but still the company has, instead of increasing the number of packed stock clerks, by the reorganisation reduced the same to two. The office staff of the Calcutta Branch was recognised in August 1966, and Shri Bagchi in his evidence said that since 12th September 1966, Shri Bhattacharji was not working. What work Shri Paul, the third Packed Stock Reconciliation Clerk, who under the reorganisation was obviously a surplus for the packed stock reconciliation section, was given during this period, is not available from the evidence on record. But this much is certain from the evidence and circumstances already discussed that the reorganisation has increased the workload of the two reconciliation clerks under the new system, including Shri Bhattacharji. Shri Bhattacharji's contention that his work has increased as a result of integration must, therefore, be upheld.

Another instance of increase in workload as a result of reorganisation we get from the evidence of P.W. 5 Shri Batoo Lahiri. This Batoo Lahiri is an applicant in case No. 167 of 1966, and it is not disputed that before the reorganisation he was working in the Toilet Preparation Section of Sigma Godown of the company. In his evidence he has said that before the reorganisation Sigma Godown had three clerks, one each for food, toilet preparation and soap and that one Mr. Mukherji and one Shri S. C. Chakraborty were respectively in charge of despatch of Food and Soap. On 6th September 1966, company issued a memorandum to several workers including Shri S. C. Chakraborty, Shri B. Lahiri and Mr. Mukherji respectively in charge of despatch of Soap, Food and Toilet preparation before reorganisation detailing how despatch of the products of the three divisions under the reorganisation scheme would be carried on. This memorandum is Ext. 3(t) and it was specifically mentioned in this memorandum that in Sigma Godown Shri S. C. Mukherji will handle the Main Lines and Shri Lahiri the Speciality Lines. No direction regarding Shri A. C. Mukherji was contained in this memorandum and it can accordingly be said that as a result of the reorganisation of the scheme for despatch of products from Sigma Godown Shri A. C. Mukherji had no work in the godown, or in other words, under the reorganised scheme Shri A. C. Mukherji was surplus so far the Sigma Godown was concerned and we have no evidence to show what work he was doing in the company and what work was being given by the management since the reorganisation. Under the scheme the despatch works which were done by three clerks before the reorganisation, have been distributed amongst two and conclusion is inevitable when there is no complaint on company's side of insufficient work of each of the three clerks before the reorganisation, that the reorganisation has increased the workload of Shri B. Lahiri. This Shri Lahiri was previously handling only the products of toilet preparation but by the memorandum Ext. 3(a) exclusively he alone was asked to handle the Speciality Lines and it is not disputed that the Speciality Lines contain more products than former toilet preparation division. Undoubtedly under the reorganised scheme Shri B. Lahiri was required to work more than before the reorganisation. His contention that reorganisation has resulted in the increase in his workload, must in these circumstances, be upheld.

The other applicants excepting Shri Banerji have also complained of increase in works as a result of the reorganisation, and it must be said that the complaints are justified. Of these clerks Shri Ram Mohan Roy, Shri V. S. S. Krishnan, Shri Subhas Chandra Basu, and Shri Anil Kumar Halder have deposed respectively as P.W. 1, P.W. 3, P.W. 4 and P.W. 6.

Shri V. S. S. Krishnan, applicant in case No 160 of 1966, has deposed as P.W. 3. In his evidence before the Tribunal he has said that he has joined the company in January 1957, as a Stenographer in the marketing soap division. He has also said that as such Stenographer his duty was to do statistical duties, compiling statistical details, salesmen's analysis, and sales effected through vans, secondary sales of the different areas, primary and weekly sales of the division, salesmen's leave records and keeping statistical information in a black book and other various ad hoc returns. He had also to keep files of correspondence. In cross-examination he stated that the former three Sales Managers i.e. Managers of Soap, Toilet and Food had jurisdiction over the entire West Bengal, Assam, Orissa and Bihar respectively of their own division and that under the reorganisation this jurisdiction of the three Sales Managers were divided into two branches and he was told to work in Branch No. 2. Regional Sales Manager of this Branch No. 2 since the reorganisation is D.W. 6 Inder Singh and he has in his evidence-in-chief before this Tribunal said that before the reorganisation the normal basis of the work of marketing Steno. was on divisional basis and that since the reorganisation the work was on geographical basis, i.e. regional basis. This Shri Inder Singh, was, as it appears from his own evidence, responsible for the areas of Orissa, Assam, Bihar and West Bengal i.e. the Political States for only Soaps Group products, and since the reorganisation is responsible for all company's products in these States except in the city of Calcutta. All these statements of Shri Inder Singh read with the evidence of Shri V. S. S. Krishnan just referred to only indicate that whereas before the reorganisation Shri Krishnan was acting as Stenographer for the Soap Division products only, under the new set up he is required to do all the duties of a Stenographer, indicated by him in his evidence before this Tribunal with regard to products far in excess of the products of the former Soap Division. It is quite evident from the evidence of Shri V. S. S. Krishnan and Shri Inder Singh that for the reorganisation the company has divided all products into two groups on regional basis but there is no evidence and suggestion on company's behalf indicating that all the three Stenographers were detailed for duty under the two Regional Sales Managers. Obviously, therefore, one of the three Stenographers of the three divisions has become surplus under the new set up and his work has been apportioned among the two Stenographers attached to the two Regional Sales Managers under the new scheme. All these facts and circumstances pirma facie indicate increase in work of each of the two Stenographers under the new set up and I find no material on which to hold the contrary. Shri Inder Singh has no doubt said that his jurisdiction has shrunk as a result of the reorginasation but this statement cannot in any way indicate that though under the reorganisation two Stenographers are required to do the works previously done by three Stenographers, there has been no increase in the work of any of them. The actual coverage of the marketing organisation of the Calcutta Branch has not in any way shrunk as a result of the reorganisation. The coverage remains the same so also the products. It cannot, therefore, be said that the total volume of works of Stenographer-cum-clerks regarding all the products of the company has come down as a result of the reorganisation and as this volume is required to be handled by two Stenographers-cum-clerks, instead of by three as before, conclusion can easily be drawn that the reorganisation has resulted in the increase of workload of each of the Stenographer-cum-clerks under the new organisation. That the two Stenos. under the new set up will be required to do all the works done by three Stenographer-cum-clerks of the three divisions will also be evident from company's letter, dated 31st May 1966, marked Ext. 3(j), as in this letter it was specifically stated that the Managers to whom the Stenographers would be attached would be responsible for the total company's operation from 1st June and would write letters affecting all the three divisions.

Of the remaining applicants, Shri Ram Mohan Roy, Shri Subhas Chandra Basu and Shri Anil Kumar Haldar have in their evidence before this Tribunal said that before the reorganisation each of them was attached to a particular division and that they have refused to work under the reorganised scheme as they were required to do works relating to products outside their own respective division. All of them were cross-examined but to none of them was put any question indicating that his statement that before the reorganisation he was working only in a particular department was a mala fide statement. As these witnesses were cross-examined, it can be said that company had then no idea to challenge their veracity of their evidence regarding their nature of job prior to reorganisation. Subsequently, however, through evidence of D.W. 4 Shri Sudhindra Nath Bagchi, company tried to establish that before the reorganisation none of these three applicats was attached to any particular division. On his uncorroborated testimony I cannot uphold this case of the company.

In his evidence before the Tribunal, Shri Ram Mohan Roy said that at the time of the reorgnisation he was an invoice clerk of Toilet Section, and Shri S. K. Basu and Shri Halder stated, that then they were respectively in the Soap Division and Toilet Preparation Division. In his examination-in-chief Shri Halder stated further that under the reorganisation scheme, some works of Food and Soap Division have come to the Toilet Division and he was required to do the extra works as Comptist of the Toilet Division. There was no cross-examination on these statements of Shri Halder and if these statements were not true, we would have certainly from the company's side documents indicating that even before the reproduced organisation Shri Halder was doing the Comptist's job in relation to products other than of Toilet Division. But no such document was produced. In this view of the matter, on the solitary evidence of Shri Bagchi who is as much interested as other witenesses for the company in the dismissal of all these cases, I cannot uphold the company's contention that Shri Bagchi was not particularly attached

to any division prior to reorganisation. For similar reasons I also overrule the company's case that neither Shri Roy nor Shri Halder had worked in any particular division before the reorganisation. This case of the company will also seen improbable if we consider that before the reorganisation, beginning from the sales to the godown, every work in the marketing organisation, was done division-wise. When, therefore, as a result of the reorganisation the former three divisions had ceased to have spearate identity and products of the three divisions were allocated to Main and Speciality Lines, it must follow as a corollary from the observation regarding the company's case that none of these three applicants was attached to any particular division, that under the reorganisation all these workers were required to do works in excess of the work done by them by the prior to the reorganisation, and under the old scheme.

As in the cases of Shri Chatterji, Shri Lahiri and Shri Krishnan, there was also increase in the work-load of the three applicants as well as a result of the reorganisation. In this perspective of the case, company should have given notice under section 9A before introducing the reorganisation and it not having done so, whatever orders it had given to its employees regarding their duties under the re-organisation were all unlawful, and could be followed only at the option of the workers. It has already been said that servant's duty to obey cannot extend to execution of unlawful orders by the master. The concerned workers were, therefore, prima facie within their legitimate rights to refuse to do work under the new scheme, when not served with notice under section 9A of the Industrial Disputes Act.

It has been argued on company's behalf that as under the terms of their appointment under the company, all these workers were required to work even under the reorganisation scheme, there was no justification for them to refuse the works given to them under the new system. It was also contended by the company that instead of refusing they should have worked under the scheme and in course of their work if they had found the works to be excessive, they should have submitted their grievance to the management. For reasons already discussed none of the submissions on behalf of the company can be accepted. Immediately after its letter, dated 15th July 1966, marked Ext. 8(e) to the President of the Sabha expressing its desire to continue with the marketing organisation with immediate effect, the Sabha approached the Labour Commissioner for intervention [vide Ext. 8(f)] and by its letter, dated 11th August 1966, Assistant Labour Commissioner requested the company not to make any job changed in the job contents of the staff till the question of reorganisation was discussed and apprehension of the Sabha regarding the future of the workers under the reorganisation were removed. In spite of this letter company proceeded with the scheme of reorganisation and the Central Secretary of the Sabha wrote to the Branch Manager on 8th September 1966 expressing regret for introducing reorganisation [vide Ext. 3(q)]. This letter was followed by the letter of the Central Secretary to the company requesting to defer reorganisation. On 30th September 1966 an industrial dispute between the company and the Sabha over the reorganisation was referred to this Tribunal and on that very date, the Central Secretary of the Sabha wrote to the Branch Manager, Hindusthan Lever, Calcutta, requesting him amongst others, to restore the salary cut and withdraw all the actions taken by him against all employees, on the ground that the dispute had already been referred for adjudication [vide Ext. 3(x)]. In reply to this letter Shri R. Bahadur, Branch Manager, sent the letter, marked Ext. 3(ab) and in this letter he said that as they had already effected certain changes in the organisation by 5th September 1966 before the reference to the Tribunal and were working in the new set up, it was neither feasible nor expedient for them to revert back to the old set-up. Shri Bahadur also said in this letter that if their action was finally adjudged to be unjustified, the workers will be entitled to appropriate relief and that they cannot accede to any of the demands made in the latter marked Ext. 3(x). I do not understand what Shri Bahadur has meant by "appropriate relief" in Ext. 3(ab). In case the reference case is decided against the company it will have no other alternative but to revert back to the old system. If any such contingency happens, the applicants will be entitled to work under the old system. On behalf of its members including the applicants, the Sabha is fighting out the reorganisation and the fight would have been fruitless if the workers had worked under the new system. If under the instructions of the Sabha, its members had not stopped work under the new set-up, the reorganisation would have been by this time a fact accomplished and the workers hope of getting any relief in the main reference case would have greatly dwindled, as by working under the new system the workers would have given the company the scope for arguing in the reference case that by working under the new set up they have accepted the reorganisation and are, therefore, estopped from challenging the reorganisation in the Tribunal. In this view of the matter it must be held that the company's contention that instead of refusing to work under the reorganisation scheme they should have worked under the scheme and brought to the notice of the management their complaints, if any, regarding their works under the new set-up, has no logic. As far back as on 31st May 1963, the company had agreed that whenever any extra job is given to an individual a notice to this effect should be given by the Departmental Manager, but this assurance was not kept when the applicants whose cases I have already dealt with were asked to work under the new scheme even though under the scheme they were required to do more works than before. Of course, the company has submitted that there was no scope for any notice after the reorganisation as there was no increase in the work of any of the employees under the new set-up, but this case of the company cannot be accepted as for reasons

already discussed I am satisfied that the reorganisation has increased the workload of the workers discussed above.

In view of the findings and discussions made above and evidence on the record, it must be held that evidence on record establishes that the Sabha was justified to direct its members including the applicants to refuse works given under the new scheme. From the evidence on record it can be said that as a result of the reorganisation, the two workers viz., Shri Paul, packed stock reconciliation clerk and Shri A. C. Mukherji, former despatch clerk of Sigma Godown, have become surplus and the workload of the applicants Nos. 1 to 4 and 6 and 7 excepting Shri Banerji have increased. Such a reorganisation requires notice under section 9A and when no such notice was given, the concerned workers were under no obligation to work under the new set up. The case of the applicant Shri Banerji in the case, however, stands on a different footing. He has refused to work under the new set-up not for increase of workload but on the ground that the manner in which he was required to work under the new system is injurious to his own safety. This Shri Banerji is a clerk in the Transport Department and he was and is still handling the products of former Food Division. In course of his evidence he said, as a clerk in the Transport Department I was responsible for despatch of Food Division products only. I had to prepare despatch instructions and sent the same to the godown, at the factory for onward despatches. I also issued instructions to Transport Contractors. Without any written instructions no despatch of the products could be made. For each instruction I issued one Proforma-cum-Despatch Summary. I had to allot a serial number for each destination separately. For illustration for a despatch to Dhanbad Clearing and Forwarding Agents the serial number is Fd/1 for Foods Division and D for Dhanbad. There is a separate Serial No. for each Division's products. Under the old system I had to write out the serial number in the old form. The serial number is a very important factor. Under the new system I was not allowed to use the old serial number in the Proforma Invoice-cum-Despatch Summary. If there was any loss on account of a mistake in the serial number, I would be held personally liable. By the serial number. I had to check and identify the despatch of products. There is now under the new set up one serial number for Main Lines and one for Speciality Lines. The products which I was asked to deal with came under both the Main Lines and the Speciality Lines. Therefore, two different sets of serial numbers under the new set up, would have to be given for the stocks to be handled by me. I explained my difficulty in preparing the despatch instruction without a serial number maintained by me. At this my Manager said that henceforth he would allot the serial number himself. I explained to him that unless I was allowed to maintain a separate serial number for my own Proforma-cum-Despatch Summary, as I have been doing so long, it would not be possible for me to keep a track on my despatches and I would be exposed to risk and danger. If my Manager wanted to mark the serial number himself, then he would have to issue necessary instructions in the matter to me and indemnify me any loss. I was afraid of possible irregularities on account of which some employees in the Transport Department have lost their job. I am willing to work under the old system."

In course of his cross-examination he said "I am required to put also Marketing Food's Order Serial Number on the proforma invoice and also put my own serial number on the Proforma Invoice to tally the despatches with the Marketing Food's Order. If I am not allowed to do this I shall not be able to answer Auditor's question satisfactorily. In that case I shall be held responsible."

He also said in cross-examination "I prepared a Proforma Invoice as per Mr. Mahadevan's verbal instructions after putting my serial number, placed it before him for signature. He did sign the same but afterwards destroyed the same as I had put my own serial number."

Shri Mahadevan referred to by this witness, deposed as D.W. 3 in the case. But nowhere in his evidence he has disputed Shri Banerji's statement that all along he was putting a serial number of his own on the Proforma Invoice for reasons given in his evidence. It is thus apparent that the practice followed by Shri Banerji up to the reorganisation for his own safety in the matter of despatches, was discontinued by the company after the reorganisation, but for what reasons nobody can say from the evidence of Shri Mahadevan. He has no doubt said that since they are to sign invoice such as Proforma Invoice and the despatch advice, the ultimate responsibility is of the Managers. But he has not said that a clerk in the Transport Department will not be responsible for the loss of any despatch for reasons other than for his own negligence. The serial number as maintained by Shri Banerji under the old system helped him to keep a track on his despatches and also to check and identify his despatch of products but though this system of giving a serial number was abolished under the new system, no corresponding system to give Shri Banerji the protection which the old system gave him, was introduced and I fail to understand why the company has under the new set-up abolished the system of serial numbers knowing fully well that the system was being followed by Shri Banerji for his own safety. When, therefore, Shri Banerji's refusal to work under the new system was due to company's insistence on him to prepare the despatch proforma invoice without putting its serial number, certainly his refusal to work was justified, as the order to prepare the invoices without the serial number if followed, might have exposed him to personal danger. Shri Mahadevan has no doubt said that Shri Banerji has refused to work on the plea that the Sabha had asked him not to work under the integrated scheme but as Shri Mahadevan has nowhere in his evidence challenged Shri Banerji's statement that he had torn an invoice prepared by him with his own serial number and he has given evidence long after Shri Banerji's evidence, I cannot disbelieve the reasons given by Shri Banerji for his refusal of

work under the new system. Refusal, in short, was on the ground of personal safety and even under the implied condition of service a servant cannot be compelled to do a work which he considers dangerous to his personal safety. Even if for argument's sake, it can be conceded that Shri Banerji has refused to work not for the reasons given by him but for the direction of the Sabha, still refusal was justified inasmuch as the scheme of reorganisation was put into action without any notice under section 9A. The object of the reorganisation was to decrease the organisational cost. The method adopted for attaining the object was to obtain more work from the workmen for the same wages. However, laudable the object may be, on the evidence on record it cannot be doubted for a moment that the scheme has seriously prejudiced the workers. It was no doubt contended on behalf of the company that the alteration was not to the prejudice of the workmen but in the face of evidence indicating some workers, such as Shri Paul, Packed Stock Control Clerk, Shri A. C. Mukherji, Sigma Godown Despatch Clerk, becoming surplus and increase in workload of others, how such a contention can be seriously made is difficult to understand. The workers no doubt could have worked under the reorganised scheme and then moved the management for reduction of works if found excessive compared to their works under the old scheme, but the existence of such a remedy does not mean that they were bound to work under the altered conditions even though these were in clear contravention of law. When they refused to do the additional work which the rationalisation scheme required them to do, they refused to do work which for non-service of notice under section 9A, the employer had no right in law to ask them to do. On the evidence on record it is difficult to say that the applicants' refusal to work under the new scheme was illegal or unjustified. When evidence on record prima facie indicates that as a result of the reorganisation some workers would become surplus and workload of workers would increase, before introducing the scheme for reorganisation the company should have given notice under section 9A. No such notice having been given, it cannot be argued that the applicants had no just or sufficient cause to refuse to work under the new scheme and that by their refusal to work under the scheme they have forfeited their right to get wages for the period they have not worked under the new scheme, and must be deemed to have earned no pay for the said period. Evidence on record justifies their refusal and the company is bound to pay theirs wages and other allowances for October 1966. Even if the refusal of these applicants and other workers to work under the new scheme amounted to a strike, the strike was neither illegal nor unjustified and the company had no valid reason to lock them out of work by refusing to give them works under the old scheme. In this context may be mentioned the case of North Brook Jute Company vs. their workmen reported in 1960, L.L.J.I. at page 580.

It is not disputed that all the applicants are monthly rated workmen of the company, and under the terms of their contract of employment under the company, they are entitled to get their pay every month. Admittedly the company has withheld the pay of all the applicants but in view of the findings and discussions already made, it must be held that this withholding of pay for October 1966 was a contravention of section 33 of the Industrial Disputes Act. The company must accordingly be directed to pay all the applicants their wages for October 1966, as prayed for by them in their respective applications.

As regards the workers' prayer for restoration of status quo ante I am of opinion, that in view of the pleadings of the applicants and on the evidence on record, this prayer cannot be allowed.

In view of the findings already made by me regarding the merits of the applicants' cases, it must, however, be said that company will not be justified to withhold the pay of the applicants from November 1966 onwards also simply on the ground of their refusal to work under the new scheme. It is now up to the company to decide whether to give the applicants work under the old scheme or to pay them their monthly wages keeping them idle, but in no case mere refusal of the applicants to work under the new scheme will justify the company to refuse their monthly wages.

With these observations I close my discussions of the cases and the company is directed to pay all the applicants their wages for October 1966.

This is my award which will govern all the cases. This award is to be implemented within 15 days from the date of its publication in the "Calcutta Gazette".

AWARD

By order No 3783-I.R./IR/11L-205/64, dated 25th August 1964, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. East India Paint and Chemical Works Ltd., 103A Surendra Nath Banerjee Road, Calcutta-14, and their workmen represented by the Macfarlane Co. Workers' Union, 26/8 Dum Dum Road, Calcutta-2, regarding the matters specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, 1947, by notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issue

(1) Whether the termination of service of the following workmen is justified? To what relief, if any, are they entitled —

(i) Shri Rabindra Nath Sinha, (ii) Shri Santosh Kumar Bose, (iii) Shri Lalit Mohan Ghosh.

On receiving notices from the Tribunal, parties appeared and filed their written statements.

In its written statement filed, the Union stated that Sarbashree Rabindra Nath Sinha, Santosh Kumar Bose and Lalit Mohan Ghosh, three workers of Messrs. East India Paint and Chemical Works Ltd., 103 Surendra Nath Banerjee Road, Calcutta-14, have been summarily dismissed from service under the Company by way of victimisation as they had tried to organise a Union of the employees of the Company and prayed for their reinstatement with full back wages for the period of forced unemployment.

In the reply to the Union's written statement, Company filed its own written statement on 2nd November 1964 and therein it has denied the allegation of victimisation and has also submitted inter alia that it had to dismiss the three workers as they had jointly and severally stolen its formula, price lists, chemical Processes and other trade secrets while in service under it to help Shri Rabindra Nath Sinha to carry on paint business under the name and style of "Simopa Paint Works" at 17B Sitalatala Lane, Calcutta. The Company also took up the plea that as Shri Rabindra Nath Sinha was Branch Manager (Sales) Asansol Branch of the Company and was as such a member of the Managerial Cadre, he was not covered by the provisions of Industrial Disputes Act and that accordingly the reference of this case is bad in law.

Issues for adjudication have already been set forth above.

It is not disputed that Sarbasree Rabindra Nath Sinha, Santosh Kumar Bose and Lalit Mohan Ghosh were, at the material time, employed in Messrs. East India Paint Works Ltd. (hereinafter referred to in this award as the Company) respectively as Sales Representative, Record Keeper in the Head Office of the Company and Despatch Clerk in the Company's factory at Sinthi and that they were summarily dismissed from service by letters dated 18th January 1964, respectively, marked as Ext. 4(f), Ext. 8(a) and Ext. A(4) with effect from the date of the service of the letters. In paragraph 11 of its written statement filed, the Company has stated that it had given to the employees to defend the cases before the enquiring officer but they had failed to take advantage of the same. Notwithstanding this assertion in paragraph 11 of the Company's written statement, I have not the slightest hesitation to conclude from the evidence on record that the management had dismissed the concerned three workers for the misconducts respectively alleged in Ext. 4(f), Ext. 8(a) and Ext. A(4) without giving them any hearing or any opportunity to defend themselves. As paragraph 11 of the Company's written statement indicates that it had proposed to held an enquiry after the dismissals had been effected, the workers were under no obligation to attend the enquiry and no useful purpose would have also been served by holding the enquiry. In this view of the matter, conclusion is inevitable that the Company has summarily dismissed the concerned three workers without giving them any opportunity to defend themselves. The workers were entitled to an opportunity to explain their conduct before they were dismissed from the service and when no such opportunity was given to them, it must be held that the fundamental principles of natural justice were violated in ordering the dismissals of the three workers. If therefore, before this Tribunal the Company fails to justify the dismissal of the three workers, they must be either reinstated with full wages for the period of forced unemployment or in lieu of reinstatement, given sufficient compensation in accordance with law. Before however, taking up the question of the dismissals of the three workers, I must dispose of the preliminary objections taken by the Company in its written statement filed.

In paragraph 1 of its written statement, the Company has said that Shri Rabindra Nath Sinha was the Sales Manager of the company at Asansol Branch and was as such, a member of the managerial cadre. He was not a workmen under the provision of the Industrial Disputes Act and that accordingly reference of this case is bad in law. That on the date of dismissal, Shri Rabindra Nath Sinha was not Branch Manager (Sales) Asansol Branch of the company, but was Sales Representative of the company in its Head Office at Calcutta is not disputed and it was argued by Shri K. P. Mukherjee, Counsel for the company, that as a Sales Representative, Shri R. N. Sinha, cannot be treated as a worker within the meaning of the term in the Industrial Disputes Act, 1947. But this argument, on behalf of the company, I cannot accept as from the company's own document, Ext. A(1), a statement of Account, by Shri R. N. Sinha, in respect of his recent tour to different States of West Bengal, Bihar and Orissa, covering the period from 21st November 1963 to 9th January 1964, sufficiently indicates that his duties as salesman mainly involved travelling to different places for securing the sales of the products of the company and in the case of Western India Match Co. Ltd., Bareilly versus their workmen, reported in 1966 L.L.J. Vol. II at page 459, it has been held that Inspectors and Salesmen on the staff of a company whose duties involve travelling to different places for securing the sales of the products of the company are "workmen" under the Act. Salesman is neither included in terms or excluded in terms from the definition of "workman" in section 2(s) of the Industrial Disputes Act. It has now been held in a series of decisions that what matters is not the designation or that the designation does not lead to a correct conclusion as to whether a person is a workman or nonworkman. The criterion correctly laid down by industrial tribunals in a series of decisions is that the nature of duties which a workman has to perform primarily, and not his designation, determines whether he is a workman or not a workman. This would be so, also in the case of a salesman. [Vide East Asiatic Company (India), (Private) Ltd. and its workmen reported in 1960 L.L.J. I, page 383]. (1) Canvassing orders; (2) giving delivery of goods and checking goods to be delivered; (3) submission of reports of market conditions; (5) collection of bills, can be considered as the duties connected with the sale of goods. In the abovequoted case it has been held that where a salesman is primarily canvassing orders and nothing else, they are to be

treated as non-workmen. It has also been held that they do not become workmen merely because they have to submit reports. But if it be found that the substantial part of his work was clerical and even partly of a manual nature, he must be held a "workman" as defined in section 2(s) of the Act. When in the instant case the company has come up with the assertion that Shri Sinha was not a workman under the Act, it should have proved that Shri Sinha was performing as salesman would not make him a worker under the Act but not an iota of evidence indicating the nature of Shri Sinha's duties under the company was led on behalf of the company. In its written statement the company has alleged that Shri Sinha was a member of the managerial cadre. But this fact cannot also be said to be established by the evidence led by the company. Shri Sinha was also not cross-examined regarding the nature of his duties. As a matter of fact this tribunal is completely at dark regarding Shri Sinha's duties as a salesman under the company and I am of opinion that the company has miserably failed to establish that Shri Sinha was not a workman under the Act. Company's contention that the reference so far it relates to Shri Sinha was bad and incompetent in as much as he was not a worker under the Act, cannot therefore, be upheld.

Shri K. P. Mukherji also took the further preliminary objection that as the concerned workers have not been represented in the case by any union of the employees of the company, the dispute under reference is only an individual dispute and as such, beyond the scope of the Industrial Disputes Act and not trialable by tribunal. No such objection was, however, taken by the company in its written objection filed in this case and for this reason alone, this preliminary objection is liable to be overruled. In support of this observation I may refer to the Supreme Court Judgment in the case of Workmen of Rohtak General Transport Company and Rohtak General Transport Company, reported in 1962 Vol. I, L.L.J., at page 634. On merits also, this objection is not tenable. In the instant case, the three concerned workers have been represented by Macfarlane Co. Workers' Union, 26/8 Dum Dum Road, Calcutta-2, and at page 2 of his evidence in Chief, Shri R. N. Sinha stated "on 1st February 1964, I got from the Company a letter dated 17th January 1964, but posted on 31st March 1964 and that letter contained some false allegations against me and I sent a letter to the Company denying the allegations. Thereafter there were certain correspondences between me and the Company and I asked the Company to give me opportunity to defend myself but the Company did not listen. Thereafter through one of my friend I approached Shri Panchanan Bhattacharjee, my representative, for helping me and he on our behalf, made representations to the Labour Department. As by that time, our Union was not registered, Macfarlane Paints Union, whose President is Shri Panchanan Bhattacharjee, took up our cause with the Labour Directorate and the case has been referred to this Tribunal". During Cross-examination on this point, he said at page 6, "In January 1964 before 17th January 1964, with the help of Shri Panchanan Bhattacharjee, we were organising our Union which was then in a formative stage. It is not a fact that after 17th January 1964, East India Paint Works Union was formed. As on 1st February 1964, our Union was not registered, we approached the Macfarlane Union for help and requested them to take up our cause. 40 to 45 out of 80 workers of East India paint authorised the Macfarlane Union. Those 42/43 workmen included 3/4 staff from the Head Office. Macfarlane Union is a Factory Union. This Union deals with all possible staff including Head Office Staff, so far as my knowledge goes. Macfarlane Union had correspondence with East India Paint Works over our dismissal. Macfarlane Union also sent a letter to the Labour Officer over our dismissal. The above statements were not controverted by any evidence on behalf of the Company and it can therefore be said that Macfarlane Union was espousing the cause of the concerned three workers from shortly after their dismissal. No evidence on behalf of the Company's side also was led to disprove Shri Sinha's statement that 40/42 out of 80 workers of East India Paint had authorised Macfarlane Union to take up the cause of the three workers. As no document to substantiate the statement of Shri Sinha was produced, Shri K. P. Mukherjee, on behalf of the Company, argued for rejecting the statement as unreliable. But this submission I cannot accept as when the Company has not taken this preliminary objection in its written statement filed, the Union was under no obligaton to produce documents showing the authorisation. Moreover, Musaha Jaiswara (P.W. 4), a worker of the Company, has also substantiated the statement of Shri Sinha and there is no rule or law laying down that such authorisation must always be in writing and cannot be made verbally. Evidence of Shri Sinha and Jaiswara conclusively proved that the majority of the workers of the Company had authorised Macfarlane Union to take up the cause of the concerned workers and it is not disputed that this Union had represented the workers in the conciliation proceedings held over the dismissals by Shri S. M. Bhattacharjee, Labour Officer. In the case of Newspapers, Limited, Allahabad, and State Industrial Tribunal, Uttar Pradesh and others, in the Supreme Court case, reported in 1960 Vol. II, L.L.J., it was held by their Lordships of the Supreme Court that it is not necessary that a registered body should sponsor a workman's case to make it an industrial dispute, and that once it is shown that a body of workman, either acting through their Union or otherwise, had sponsored a workman's case it becomes an industrial dispute. When therefore, it is proved that under the authorisation of the majority of the workers of the Company, Macfarlane Union represented these workers before the Conciliation Officer in connection with the industrial dispute under reference, Company's contenton that the dispute is not an industrial dispute but only an individual dispute as the Macfarlane Union is not a Union of its workers, cannot be upheld. As Shri Sinha and Shri Jaiswara have deposed it can also be said that through Macfarlane Union, the majority of the

workers of the Company were espousing the cause of the concerned workers before the Conciliation Officer and that through the said Union, they are now sponsoring the workers' cause. In this view of the matter, dispute under reference is certainly an industrial dispute and not an individual dispute as asserted by the Company.

In view of the foregoing discussions regarding the prelimilinary objecton raised by the Company, it must be held that none of the objections has any substance. If therefore, Company fails to justify the dismissals of the three concerned workers, they must either be reinstated with full wages for the period of forced unemployment or in the alternative, given sufficient compensation.

It has already been indicated above that at the material time, Sarbasree Rabindra Nath Sinha, Santosh Kumar Bose and Lalit Mohan Ghosh were working in the Company respectively as Sales Representative, Record Keeper in the Head Office of the Company and Despatch Clerk in the Company's factory at Sinthi and that by letters dated 18th January 1964, they have been dismissed from service with effect from the date of receipt of the letter. These letters of dismissal also contain the charges for which the three workers' service under the Company were terminated. Of the three dismissal letters, the one issued to Shri Rabindra Nath Sinha is Ext. 4(f). This letter not only contained the grounds for Shri Sinha's dismissal but also the reasons for the dismissal of the other two workers, viz., Shri Santosh Kumar Bose and Shri L. M. Ghosh. This letter inter-alia reads as follows:

> "We found out that you are doing business in 'Benami' under your brother's name and which has been admitted by you yesterday in the Managing Director's room in my presence.
>
> (A) That you are getting prepared price lists, etc., through our office Assistant, Shri Santosh Kumar Bose, Shri M. M. Ghosh and others.
>
> (B) You are meeting your customers at our cost when you are visiting those areas representing our firm.
>
> (C) You had invested the capital which are fetching at the moment Rs. 1,000.00 (Rupees One thousand) approximately per month.
>
> (D) You are awaiting for accumulating more capital so that you can do better business which will fetch more money and you consider that will take another twelve months, then you thought to tender resignation and work solely and wholly for you.
>
> We admire your bold, frank and naked and shamless statement you made and we have realised what an ungrateful employee was so long provided in this Company.
>
> You have not only violated service conditions, but you have also corrupted other staff of the Company. You have forgotten the past of your life and standard of your living. And we observed that you have not carried out the Company's order and it was pointed out to you on several occasions that customers complained against you that you are not paying attention to our works.
>
> Now we understand the reason of it and how you have misappropriated and cheated the Company.
>
> So immediately on receipt of this letter return all the properties of the Company which are lying with you together with a statement of account you have drawn forthwith.
>
> In the meanwhile, we are intimating to all concerned that you are no longer in our service as we cannot allow such a dishonest person to work in this company any further."

Shri Rabindra Lal Sinha has categorically denied the charge of benami Paint business as also the other allegations as contained in the letter Ext. 4(f) and submitted that he, Shri Santosh Kumar Bose and Shri Lalit Mohan Ghosh have been dismissed from service as he has with the help of Messrs. Bose and Ghosh organised a union of the workers of the company with the name and style East India Paint Workers' Union, and he himself was the Founder-Secretary of the Union. Letter Ext. 4(f) was issued under the signature of Shri B. Lahiri, Superintendent of the company, at the material time. He, however, is no longer in employment of the company and has not also deposed as a witness for the company. As evidence has come, it can be also said that company has made no attempt to examine him to substantiate the allegation against Shri Sinha. Instead of examining Shri B. Lahiri, Company has examined D. W. 2 Shri Dulal Chandra Dutt, a partner of Dutt Brothers, Paint Merchants, Ranchi, D.W. 4 Shri Nanigopal Majumdar, an assistant of the Registrar of Societies, Government of West Bengal, D.W. 5 Shri Ganga Mukherji, a partner of Simopa Paints, D.W. 6 Shri Balailal Patra, another partner of Simopa Paints, D.W. 7 Shri Atindra Nath Singha, brother of Shri Rabindra Nath Sinha, to substantiate the allegation that Shri Rabindranath Sinha was carrying on a benami paint business under the name and style of Simopa Paints. Before, however, entering into the question how far these witnesses have proved the benami, I must set out the charges against the other two workers as the said charges were interlinked with the charge against Shri Sinha. The charges for which Messrs. Bose and Ghosh have been dismissed from service were contained in the letter of dismissal respectively marked Exts. 8(a) and A(4). Ext. 8(a) to Shri Bose was as follows:

> "It has been found that you are secretly engaged in a business with Mr. R. N. Sinha, while still in our business.
>
> That you have helped him in printing price list of commodities with the help of our office stationery and machines.
>
> That you are helping Shri R. N. Sinha in carrying on his business with your knowledge of parties and customers which you know from Records while in duty in this office.
>
> That you get the printing works done by Shri M. M. Ghosh Typist of our office in respect of works which has no concern with this office.
>
> All the above facts have been clearly admitted by Shri R. N. Sinha and Shri M. M. Ghosh.

You have, therefore, not only violated the office rules but have worked to the detriment of this company in collusion with other employees.

Therefore, the company has been cheated and you are responsible for misappropriation of company's money.

You are, therefore, dismissed from employment and such dismissal with immediate effect."

Ext. A(4)—Letter of dismissal to Shri Lalit Kumar Ghosh inter alia reads as follows:

"You are aware of that Shri R. N. Sinha is doing business of his own for paints and oils and you intimated that he is doing business at Sastitala with one Shri Patra. Although you were staying in the same premises where Shri R. N. Sinha is staying, you have not disclosed his activities to this company. Therefore we consider that you are also a party in the conspiracy.

We, therefore, give you notice that your services are no longer required as you have been found to be disloyal to this company."

It will be evident from the three letters of dismissal that company's specific case was that it had dismissed Messrs. Sinha, Bose and Ghosh as Shri Sinha was carrying on a rival paint business under the name and style of Simopa Paints and Shri Bose and Shri Ghosh had not only actively aided and abetted Shri Sinha in carrying on the said business at the detriment of the company's interest, but had also supressed the fact from the company's knowledge. If, therefore, company fails to establish the plea of benami business by Shri Sinha, the dismissals of all the three workers must be hold unjustified, this is obvious enough. As already indicated company examined two partners of Simopa Paints and a brother of Shri Sinha besides examining an assistant from the office of the Registrar of Societies to substantiate its case of benami Paint business by Shri Sinha, but I must observe that on the basis of the evidence of these three witnesses it is not possible for any Court of Law to conclude that Shri Sinha was actually carrying on a benami Paint business under the name and style "Simopa Paints" as has been alleged by the company. The two partners of the firm have said in their evidence that Late Saradindu Bala Sinha, mother of Shri Sinha, was a partner of Simopa Paints up to her death in January 1965 and that immediately after her death they had purchased her share in the partnership business from her heirs namely, her surviving daughters and sons. Shri Ganga Mukherji further stated that Shri Sinha was one of those heirs of late Saradindu Bala Sinha who had sold to them her share in the partnership business. Shri Atindranath Sinha (D.W. 7), brother of Shri Sinha, also testified that his mother was a partner of the firm in her own right and not as a benamder of his brother Shri R. L. Sinha. He also stated that his mother had invested Rs. 4,000 or Rs. 4,500 in the business as capital and that he used to look after her interest in Simopa Paints and his brother R. L. Sinha had never helped her in the said business. The evidence of these three witnesses namely, Shri Ganga Mukherji, Shri Palai Lal Patra and Shri Atindranath Sinha, specially called by the company to prove that Shri R. L. Sinha was a partner of Simopa Paints in the benami of his mother, has thus practically demolished the company's case against the three workers and I find no material on which to conclude that Shri R. L. Sinha was a partner of Simopa Paints in the name of his mother and was carrying on the said paint business with the help and connivance of Shri Bose and Shri Ghosh. It is now well-settled that he who alleges benami must prove the benami. When, therefore, company has sacked the three concerned workers on the allegation that Shri R. L. Sinha was carrying on rival paint business in the benami of his mother with the help and assistance of Shri Bose and Shri Ghosh, onus was on the company to establish affirmatively and beyond all doubts the plea of benami, by evidence of unimpeachable nature. No such evidence is, however, available in the instant case; to the contrary, the witnesses who were particularly called to prove the benami have all made statements indicating that the company's case of benami has no legs to stand upon. The only witness on behalf of the company to make any affirmative statement regarding the case of benami was D.W. 8 Shri Bankim Banerji, Managing Director of the company, but I will show that his evidence of benami suffers from serious infirmities and cannot for this reason be believed. At page 5 of his evidence-in-chief Shri Banerji stated:

"On 16th January 1964 Shri Sinha met me in my chamber in my office at 11 a.m. He had talks with me. He came to my office on my requisition and when he first entered the office I asked him whether he was a partner of Simopa Paints and was carrying on the business in benami. I told him that I had information from our office that he was preparing typed copies of our price list and that he had imitated our brand and had also with the help of others committed theft of our Forms, Formulas, etc., and asked him whether all these were true. He admitted all these charges and requested me to spare Santosh as he had typed the price list at his request. I asked him to put his statement in writing but he said that he would come next day and give the same. Our Secretary Mr. Lahiri was then in my chamber and heard talks between me and Mr. R. L. Sinha. In course of my talks with Mr. Sinha I had lost my temper and I was talking at the top of my voice. Our Sales Director Bonbehari Banerji came to my chamber and heard the talks between me and Mr. Sinha. Shamsundar is the bearer of my chamber and he waits outside my chamber. He overheard talks between me and Mr. Sinha. Subsequent to the talks I wrote Sinha a letter of dismissal but the same came back unserved and then I gave him another letter of dismissal."

It will appear from the above extract of Banerji's evidence before this tribunal that during his talks with Shri Sinha over the question of

benami only two officers of the company were present and they were respectively Shri Lahiri, Secretary of the company at the time and Shri Bonbehari Banerji, Sales Director of the company. Both Messrs. Lahiri and Bonbehari Banerji were in this perspective of the case very material witnesses for the company but for reasons best known to it, the company had made no attempt to produce Shri Lahiri to substantiate its allegation of benami against Shri Sinha. For deciding the question of benami, his evidence was all the more necessary as Shri Bonbehari Banerji's evidence regarding the talks between Shri Bonkim Banerji and Shri Sinha in the former's chamber on 16th January 1964 regarding the benami business of Shri Sinha was not consistent with what Shri Bankim Banerji had said regarding the incident and does not also indicate that before Shri Bankim Banerji, Shri Sinha had confessed that he was carrying on a benami paint business. In support of this observation I may refer to the following evidence of Bonbehari Banerji appearing at page 1 of his examination-in-chief:

> "At about 11 a.m. in the morning of 16th January 1964 when I was working in my chamber I heard a golmal. At this I came out and went to the chamber of the Managing Director and besides there saw the Managing Director and Mr. Sinha, Assistant Secretary Mr. Lahiri sitting. I heard Managing Director accusing Mr. Sinha for doing benami business in his brother's name. He asked Mr. Sinha whether that was correct or not, but Mr. Sinha did not give reply but kept silent. Secondly I heard the Managing Director accusing Mr. Sinha that he had used stencil price list of the company using the company's stationery and asked whether this was correct. Mr. Sinha again remained silent and gave no reply. Managing Director told Mr. Sinha that now it was an admitted fact that he had done these things and also told him to go away after putting the things in writing. Then Mr. Sinha left the office saying that he would come next day and put these in writing as he was feeling unwell and sudden heart trouble. Then the Managing Director showed me and Mr. Lahiri stencil price list of Simopa and told us that such an ungrateful man as Sinha was could not be kept any more in the company. We were shocked to hear this and decided his dismissal. At the same time we also decided to remove Santosh Bose, filing clerk and Shri M. M. Ghosh, typist of our department, as we know that they had supplied the stencil price list of our company and other informations of our company to Mr. Sinha."

In this evidence of Shri Bonbehari Banerji (D.W. 1) we do not find any statement that before Shri Bankim Banerji, Shri Sinha had admitted the charge of benami business in paint. Accordingly Shri Bankim Banerji's statement that before him Shri Sinha had confessed that he was carrying on benami paint business in the name of his brother is very difficult to believe. If Shri Banerji's evidence was true, certainly Shri Sinha is a very shrewd man and it is impossible to believe that such a man had, at the risk of losing his job under the company, confessed to the authorities that he was carrying on paint business in benami. Considered from this aspect also Shri Banerji's evidence regarding the admission by Shri Sinha is very difficult to accept. Moreover, company's allegation in the written statement that Shri Sinha was carrying on the benami business in the name of his mother, cannot also be reconciled with Shri Bankim Banerji's evidence regarding confession of the charge of benami by Shri Sinha. As Messrs. Bon Behari Banerji and Bankim Banerji deposed in the case, it can be said that the company's specific case was to the effect that Shri Bankim Banerji had accosted Shri Sinha with the charge of benami on the 16th January 1964 after he had definite informations that Shri Sinha was carrying on benami business in the name of his brother and that before Shri Bankim Banerji, Shri Sinha had admitted the charge. If this case was true, company could not have in its written statement said that Shri Sinha was carrying on benami business in the name of his mother. This charge in the name of the benamder by the company in its written statement filed only indicates that either on the 16th January or on the date of letter of dismissal issued to Shri Sinha, company did not definitely know in whose name Shri Sinha was carrying on the alleged paint business, viz., Simopa paints. In this view of the matter also Shri Bankim Banerji's evidence that on 16th January 1964, Shri Sinha had, in his chamber, confessed before him that he was carrying on paint business in the name of his brother, cannot be believed, and I hold that neither Shri Bon Behari Banerji's nor Shri Bankim Banerji's nor the cumulative evidence of the two is sufficient to make out the case that on 16th January 1964 or prior thereto Shri Sinha was carrying on the paint business under the name and style "Simopa Paints" in the name of his brother or mother. As these two top-heads of the company were the only witnesses in support of the allegation that Shri Sinha was carrying on benami paint business, it must be held in view of the discussions just made that the company has failed to establish the allegation of benami against Shri Sinha.

In Ext. 4(f), the letter of dismissal to Shri Sinha, Shri Lahiri, the Superintendent of the company, has alleged inter alia that during his tours at company's cost, as its salesman. Shri Sinha was meeting his customers of Simopa Paints and that the capital he had invested in the said company was fetching him a monthly income of Rs. 1,000 approximately but no evidence, however, in support of any of these allegations is available. D.W. 2 Shri Dulal Chandra Dutt, a partner of Dutt Brothers, Paint Merchants, Ranchi, was examined by the company, obviously to substantiate its allegation that as a salesman Shri Sinha was trying to divert the customers of the company to Simopa Paints, but the evidence of Shri Dutt as given, does not prove this case of the company. Of the several witnesses examined as D.Ws. in the case, Shri Dutt was the only witness examined to corroborate the company's allegation that as his representative Shri Sinha was trying to secure customers for his own business, viz., Simopa Paints, but his evidence was insufficient to make out this case of the company. Accordingly it must be held that in support of its allegations that at its cost Shri Sinha was trying to flourish the Simopa Paint business, the company has no evidence whatsoever.

On the evidence adduced by the company, the same observation can be made regarding the other allegation of the company that Shri Sinha was getting a monthly return of about Rs. 1,000 per month from the capital he has invested in Simopa Paints. D.W. 3 Shri Ganga Prosad Mukherji's further evidence that after the death of Shri Sinha's mother Late Saradindu Bala Debi, he and Shri Balai Patra, had purchased her 1/3rd share from her heirs, viz., her daughters and sons including Shri R. N. Sinha, also disproves the company's case that he was holding 1/3rd share in Simopa Paints in the benami of his mother. If it is argued on company's behalf that all the heirs of Late Saradindu Bala Debi had to join in the sale, even though she was holding as benamder of Shri Sinha, because she was the registered Partner of the firm to the extent of 1/3rd share, the argument can be repelled by pointing out that the company has led no evidence or made no attempts to prove that the other heirs of Late Saradindu Bala Debi had not shared in the distribution of sale proceeds of the share. Shri Atindra Sinha, a brother of Shri R. N. Sinha, was examined by the company as a witness to prove its allegation of benami but to him it was not even suggested that he or his other brothers and sisters had not got anything out of the sale proceeds of the share. In this view of the matter it must be said that the sale of the 1/3rd share standing in the name of Late Saradindu Bala Debi by all her heirs and sons is definitely against the company's case that Late Saradindu Bala Debi was a mere benamder of Shri R. N. Sinha.

In view of the discussions above made, it must be said that there is not only no material but the evidence as adduced by the company itself, disproved the plea of benami. It is true no doubt that Shri Ganga Mukherji's evidence indicating the sale of late Saradindu Bala Debi's 1/3rd share jointly by Shri R. N. Sinha and her other heirs falsifies Shri Sinha's evidence that before his cross-examination on behalf of the company he had never heard that his mother was a partner of Simopa Paints, and tends to indicate that for some ulterior motive Shri Sinha has feigned ignorance about his mother being a partner of the firm, but this circumstance alone cannot establish the company's case of benami. His feigned ignorance no doubt raises the suspicion that he was interested in Simopa Paints as has been alleged by the company, but is not conclusive proof of the allegation of benami. Had there been the slightest evidence on the side of the company indicating that late Saradindu Bala Debi was a mere benamder of Shri R. N. Sinha, this circumstance would have been very favourable to the company's case but when there is not the least evidence to prove the allegation of benami, this circumstance cannot be of no help to the company's case. I, therefore, conclude that the company has miserably failed to establish that Shri Sinha was a 1/3rd partner of Simopa Paints in the benami of his mother and was at the material time earning approximately Rs. 1,000 per month as interest from the capital invested by him in the firm, on the evidence on record it must also be held that there is no basis for the company's allegation that when out on tour at company's cost, Shri Sinha secured customers for Simopa Paints.

In the letter of dismissal to Shri Sinha it was further alleged that he was getting prepared price list, etc., through the company's assistants Shri Santosh Bose, Shri M. M. Ghosh and others. Reference to this allegation we get in paragraph 6 of the company's written statement and in that paragraph it has been averred that Shri R. N. Sinha in collusion with the Record-Keeper, prepared and stencilled and processed the Simopa Price List at the company's premises with the company's rotary machine and that the said fact had been admitted by the company's typist Shri Murari Mohan Ghosh. As this allegation against Shri Sinha was interlinked with the charge as contained in the letter of dismissal Ext 8(a), issued to Shri Santosh Kumar Bose, this allegation to against Shri Sinha as also the charges against Shri Santosh Bose must be considered together. In support of these charges company relied on the evidence of D.W. 8 Shri Bankim Banerji, Managing Director and D.W. 8 Shri Murari Mohan Ghosh, referred to in paragraph 6 of the company's written statement as also on the price list marked Ext. C/1 and the endorsement Ext. D appearing on its riverse side. This Murari Mohan Ghosh, who was admittedly a typist in the company at the material time has stated as follows in his evidence-in-chief before this tribunal:

> "I know Santosh Kumar Bose, record-keeper of the company. He used to distribute typing works and compare the typed matters.
>
> I was a typist of the company. As such typist I used to make stencil copies of bills, letters, price lists, etc.
>
> This stencil price list of the company was made by me which bears my signature. (Ext. C). On one occasion Santosh Bose gave me a price list of Simopa Paints for stencil. I made stencil copy of the same. This was towards the end of 1963. At first I refused to make the stencil copy but subsequently I did as Santosh Babu told me that the company required the stencil copy. This was the stencil made by me under the direction of Santosh Babu (Ext. C/1). Whenever cyclostyle copies were made, I made the stencil so long I was there. After making the stencil I made it over to Santosh Babu and from that Santosh Babu or his assistant printed cyclostyle copies.
>
> On 3rd September 1964 Managing Director enquired of me whether I had typed price list of any other company and I said that I had done once under the direction of Santosh Bose. I have told him that under the orders of Santosh Babu I have stencilled the price list of Simopa Paints. This endorsement on the back of the Simopa Paint price list was in my writing and under my signature (Ext. D).
>
> On 6th February 1964 Managing Director again called me and asked me showing the price list (Ext. D) whether it was my work and I replied in the affirmative and then at the words of the Managing Director wrote the endorsement of the certificate on the back of this document."

The endorsement Ext. D on the back of Ext. C/1 was as follows:

> "This is to certify the Price List on the reverse page was typed by me on a stencil paper under instruction from Santosh Bose, record clerk of this office at the office hours with the office stationery."

This endorsement was dated 6th February 1964 and in his evidence Shri Bankim Banerji has said in cross-examination:

> "One Majhi typist of the company gave information of cyclostyle copies of the company being made by the record keeper with the help of Murari. On this information I sent for Murari and he admitted the fact and gave the cyclostyled price list exhibited in this case.
>
> Ext. D was not dictated by me. I hold M. M. Ghosh the gist of what he would write and he himself wrote Ext. D. This he wrote when I told him to state in writing what he actually knew.

Notwithstanding the evidence of Shri Murari Mohan Ghosh and Shri Bankim Banerji as quoted above, I have not the slightest hesitation to conclude that in collusion Shri Murari Mohan Ghosh Shri Bankim Banerji has manipulated the price list Ext. C/1 and endorsement Ext. D to create evidence in support of the charges against the concerned workers. The Majhi typist referred to by Shri Bankim Banerji as his informant about the cyclostyle copies was not examined as a witness for the company and Shri Bankim Banerji's statement that he had not dictated Ext. D cannot be believed because of the following categorical statements made by Shri Murari Mohan Ghosh during cross-examination: "I wrote the endorsement at the dictation of the Managing Director. As myself could not decide suitable language for expression of the facts as stated in the endorsement, I asked the Managing Director for dictating me the facts to be stated in the endorsement and he dictated and I wrote. The fact as stated in the endorsement was told to him by me." Shri Murari Mohan Ghosh was examined on 24th June 1966 and Shri Bankim Banerji on 14th October 1966, and I am of opinion that though Shri Bankim Banerji himself was the author of the endorsement he has, in his evidence before this tribunal, tried to shift the authorship to Shri Murari Mohan Ghosh, lest it might be argued on Shri Ghosh's evidence that with the ulterior motive of justifying the dismissals of the three workers he has manipulated this endorsement with the help of Shri Ghosh. On the materials on record no other explanation can be given for this gross contradictions in between the evidence of Shri Ghosh and Shri Banerji regarding the endorsement Ext. D. This Ext. D appears on the reverse side of a price list for 1963 of Simopa Paints Works marked Ext. C/1. Shri Ghosh has said that he had stencilled the price list but this statement cannot be believed for two reasons: Firstly, this list does not bear his initial (written or typed) as does the stencilled price list of East India Paints marked Ext. C admittedly made by Murari Mohan Ghosh, and secondly, there is no evidence to prove in whose custody this list Ext. C/1 was at the time the endorsement was made. In his evidence Shri Ghosh has said that on the date the endorsement was made Shri Bankim Banerji had shown him the list and asked him whether it had been prepared by him, but Shri Bankim Banerji stated that on information from Majhi typist of the company that the cyclostyle copies of the company were being prepared by the record keeper with the help of Shri Murari Mohan Ghosh, we had sent for Shri Murari Mohan Ghosh and the latter had admitted the fact and given the cyclostyled price list exhibited in the case, meaning the price list Ext. C/1. These contradictory statements made by Shri Ghosh and Shri Bankim Banerji regarding the custody of Ext. C/1 on the date the endorsement Ext. D was made also prove the incredibility of the company's case that Shri Murari Mohan Ghosh has prepared the stencilled price list of Simopa Paints at the instance of the concerned worker Shri Santosh Bose. Moreover, if really Shri Murari Mohan Ghosh had prepared the stencilled copy at the dictation of Shri Santosh Bose, there was hardly any reason for the latter's leaving the same with Shri Murari Mohan Ghosh. If the company's case was true, the three concerned workers were acting in conspiracy for flourishing Simopa Paints at the cost of East India Paints, and it is highly improbable that one of the conspirators would leave in the custody of a typist of a company any material that would help the company to trace out the conspiracy. For this as also for other reasons, already discussed, I cannot believe Shri Bankim Banerji's or Shri Murari Mohan Ghosh's evidence that the latter had at the instance of Shri Ghosh made the stencil price list Ext. C/1. The wild statements Shri Bankim Banerji has made against the concerned worker, Shri Lalit Ghosh in his evidence before this tribunal, is also another reason for my disbelieving his incriminating statements against the three workers. At page 2 of his evidence-in-chief Shri Banerji has said as follows:

> "I know Lalit Kumar Ghosh, **On 16th January 1964 we were confirmed that Lalit Ghosh has surreptitiously been supplying the formula regarding our business to R.N. Sinha and on that very date he was dismissed verbally when he denied the charge of disclosure."

Strangely enough, the letter of dismissal issued to Shri Sinha did not contain any such allegation of disclosure. In support of this observation I may refer to the contents of the letter itself which is Ext. A/4. Paragraph 1 of this letter which was issued under the signature of Shri B. Banerji, mentions the charges or which the company has dismissed him from service and this paragraph reads as follows:

> "You are aware of that Shri R. N. Sinha is doing business of his own for paints and oils and you intimated that he is doing business at Sastitola with one Shri Patra. Although you were staying in the same premises where Shri R. N. Sinha is staying you have not disclosed his activities to this company. Therefore, we consider that you are also a party in the conspiracy."

As this paragraph indicates that the company has dismissed Shri Lalit Ghosh from service as from his non-disclosure of Shri Sinha's paint business, it had reason to believe that he was in conspiracy with Shri R. N. Sinha regarding the latter's paint business, and this paragraph can under no circumstances be interpreted as indicating that the company has dismissed him as he was surreptitiously supplying its formulas to Shri Sinha, Shri Bankim Banerji's statements that on 16th January 1964 they were confirmed that Shri Lalit Ghosh had been clandestinely supplying the company's formula to Shri Sinha were nothing but wild and incorrect.

The incriminating statements made by Shri Banerji against Shri Santosh Bose cannot also be relied on as they were not consistent with the charges alleged against him in his letter of dismissal marked Ext. 8(a). In his evidence Shri Banerji said that Shri Santosh Bose was dismissed from service as he had typed out formulas from their office papers and copied all formulas or their papers and the same supplied to R. N. Sinha. Shri Banerji also stated that Shri Santosh Bose got all these typed on the company's office papers by the typist Shri Murari Mohan Ghosh. But neither Ext. 8(a) the letter of dismissal issued to Shri Ghosh, nor does the letter of dismissal to Shri Sinha bear out Shri Banerji's evidence that Shri Santosh Bose had supplied to Shri Sinha Formulas of East India Paints Company typed on the papers of the company. Even Shri Murari Mohan Ghosh's evidence does not corroborate this statement of Shri Banerji as his evidence before this tribunal, if true, only indicates that excepting on one occasion he had not done any typing work for the benefit of any other company, at the instance of Shri Santosh Bose and that on that occasion he had typed the price list Ext. C/1. I have read the evidence of Shri Murari Mohan Ghosh line by line but I do not find therein any statement corroborating Shri Banerji's evidence that Shri Santosh Bose had got company's formulas typed on the company's papers by Shri Ghosh for supply to Shri Sinha, Shri Ghose's statement thus does not support Shri Banerji's incriminating evidence against Shri Santosh Bose and the letter of dismissal issued to Shri Santosh Bose also proves the incredibility of his evidence regarding surreptitious supply of company's formulas to Shri Sinha.

In this view of the matter on the uncorroborated testimony of Shri Bankim Banerji, it cannot be held that Shri Santosh Bose had got the company's formulas typed on company's papers by Shri Murari Mohan Ghosh and supplied the same to Shri Sinha for the Simopa Paints. Absence of any such allegation in the letter of dismissal to Shri Santosh Bose also indicates the frivolity of Shri Bankim Banerji's allegation of surreptitious supply of his company's formulas by Shri Santosh Bose to Shri Sinha. In paragraph 7 of the written statement filed it has no doubt been alleged that all the three concerned workers had jointly and severally stole formulas, price list, copy of processes and other trade secrets while in service but the evidence as has been adduced on company's behalf is not sufficient to establish this allegation. In support of this allegation as mentioned in this paragraph, the company mainly relied on the evidence of Shri Murari Mohan Ghosh and Shri Bankim Banerji as also on the price list marked Ext. C/1. This Ext. C/1 was produced to corroborate the allegation that to help Shri Sinha in his paint business, Simopa Paints, Shri Santosh Bose had got the price list of Simopa Paints typed by Shri M. M. Ghosh a typist of East India Paint. Regarding this document I have already made certain comments and observed that this endorsement Ext. D has been manipulated by Shri Bankim Banerji in collusion with Shri M. M. Ghosh the typist, to substantiate the charges against the concerned workers. In answer to question put to him by the Tribunal in course of his evidence, here Shri Banerji stated that Shri M. M. Ghosh had given him the price list and he had kept it in his custody but had not disclosed it to anybody till 16th January 1964, the date he had charged Shri Sinha with benami business. He has also stated that he had taken the endorsement Ext. D from Shri Murari Mohan Ghosh, so that he could not go over to the other side, viz., the workers and help them. As Shri Murari Mohan Ghosh has deposed it can easily be held on his evidence that he had never himself given this list to Shri Bankim Banerji and that it was the latter who had first confronted him with the list on 6th February 1964 and asked him whether it was his work and that on his replying in the affirmative Shri Banerji had got the endorsement Ext. D, written by him on the back of Ext. C/1. It is, therefore, quite obvious that Shri Banerji has got Ext. C/1 not from Shri Ghosh but from some other source which for reasons best known to him, he has not disclosed before this tribunal. It cannot be disputed that the price list of a company is not a confidential paper but is easily available. An intending customer of Simopa Paints can easily obtain such a list from the company itself and it might be that Shri Bankim Banerji has in this way obtained the price list Ext. C/1 to utilise it as evidence in support of the charge against the concerned workers, after getting the endorsement Ext. D written by Shri Ghosh. Whatever might have been Shri Bankim Banerji's source of this price list, Shri Ghosh's evidence conclusively establishes that he himself had never given the list to him. If the fact was otherwise or in other words, if Shri Ghosh had really given the list to Shri Bankim Banerji, he would not have omitted to mention the fact in his evidence-in-chief where he said that on 3rd September 1963 Shri Banerji had enquired of him whether he had typed any price list of any other company and that in answer to the enquiry he had said that once under the direction of Shri Santosh Bose he had stencilled the price list of Simopa Paint. From this evidence-in-chief of Shri Ghosh it is quite obvious that if any price list of Simopa Paint had been stencilled by Shri Ghosh under the orders of Shri Santosh Bose, the same had been done by him before 3rd September 1964 and that in between the date and 6th February 1964 the date Shri Bankim Banerji had confronted him with the price list, Shri Ghosh had never seen the price list Ext. C/1 how then it was possible for him to identify on 6th February 1964 the price list Ext. C/1 as the price list said to have been stencilled by him under the direction of Shri Santosh Bose, when Ext. C/1 does not contain the initial (typed or written) of Shri Murari Mohan Ghosh or any specific mark sufficient for Shri Ghosh's identifying it what as the price list prepared by him under the order of Shri Santosh Bose, I fail to understand and I have not the slightest hesitation to conclude that Shri Ghosh's statement that he has stencilled the price list under the direction of Shri Santosh Bose, and Shri Bankim Behari Banerji's evidence that Shri Ghosh has given him the list were far from truth. There was also no earthly reasons for Shri Bose's keeping the list in the custody of Shri Ghosh. This Shri Santosh Kumar Bose, it has been alleged by the company, was helping Shri Sinha in the benami paint business by printing the price list with the help of company's own employee Shri Murari Mohan Ghosh. If this allegation was true he would have been the last person to leave with Shri Ghosh any material such as the

price list indicating that he was helping Shri Sinha at the cost of the company. Company's case that Shri Ghosh had typed the price list Ext. C/1 at the instance of Shri Bose, cannot for all these reasons be upheld and I am of opinion that to support its allegations against the three workers including the allegation of benami paint business against Shri Sinha the company has no reliable and satisfactory evidence.

Shri Sinha was dismissed on the allegation that he was carrying on a paint business in the benami of his brother and had for the same business got prepared price list, etc., through the company's office assistant Shri Santosh Bose, Shri Murari Mohan Ghosh and others and had also met the customers of his benami paint business when at company's cost, when he was touring as its representative, but none of these charges can be said to have been established by the evidence adduced by the company. Against Shri Santosh Bose, the charge was that he was secretly engaged in a business with Shri R. N. Sinha while still in the service of the company and had helped Shri Sinha by printing price list of commodities with the help of company's stationery and machines and also by his knowledge of the parties and cutomers of the company. There is no evidence to prove that Shri Bose was engaged with Shri Sinha in the paint business of Simopa Paints and the evidence the company has led to prove the allegation that he had helped him in printing the price list of the benami business, was far from reliable. During trial the company tried to establish that Shri Santosh Bose had got the price list of Simopa Paint typed by Shri M. M. Ghosh typist but in this it has miserably failed as the two witnesses examined to prove this case, viz., Shri Bankim Banerji and Shri M. M. Ghosh have by their contrary statements regarding Ext. C/1 and endorsement Ext. D, made themselves absolutely unworthy of credit, and the tribunal is convinced for reasons already given that with a view to justify the dismissals of the three workers Shri Bankim Banerji has not only manipulated Exts. C/1 and Ext. D with the help of Shri Ghosh but has also given perjured evidence. I have already stated that in course of his evidence before this tribunal Shri Bankim Banerji has said that on 16th January 1964 they were confirmed that Lalit Ghosh had been surreptitiously supplying formula of the company to Shri R. N. Sinha and that on that very date he was dismissed verbally as he had denied the charge of disclosure. That these statement of Shri Bankim Banerji were not only false but false to his knowledge would be quite evident from the letter of dismissal to Shri Lalit Ghosh marked Ext. A/4. There is no charge of surreptitious supplying formula of East India Paint Company in his letter and it will be quite apparent from paragraphs 1 and 2 of the letter that the company has dismissed him though aware of Shri Sinha's benami paint business, he had not disclosed the same to the company, and I am of opinion that omission of the charge of supplying formula from this letter conclusively establishes the falsity of Shri Bankim Banerji's evidence that on the 16th of January 1964 they were confirmed that Shri Ghosh had been surreptitiously supplying his company's formula to Shri Sinha. I am further of the opinion that Shri Bankim Banerji has intentionally made this false statement against Shri Lalit Ghosh as he had the conviction that on the charges made in Ext. A/4, Shri Lalit Ghosh's dismissal could not be justified. As a matter of fact, also the charges as contained in the letter were not at all sufficient for his dismissal from service under the company. Even if it be assumed that Shri Sinha was carrying on a paint business and as a resident of the premises where Shri Sinha used to live at the material time, Shri Ghose was aware of his business, still as he was under no obligation to disclose the same to the company, his failure to draw to the company's notice Shri Sinha's paint business, could not be any ground for his dismissal; nor from the non-disclosure can it be inferred that he was helping Shri Sinha in his business to the detriment of the company. Company had, therefore, no justifiable reason to dismiss Shri Lalit Ghosh from his service even if the allegations as made against him in this letter Ext. A/4, were true. Moreover, when the company has failed to establish the plea of benami, it must be said that the company had no valid reason to dismiss Shri Lalit Ghosh from service.

In view of the findings and discussions made above, it must be held that the company had no justification to dismiss any of the workers on the charges as contained in their respective letters of dismissal. In other words, dismissal of Shri R. N. Sinha on the charges alleged by the company was illegal and unjustified. Notwithstanding this finding I cannot, however, direct the company to reinstate Shri Sinha in service as I am of opinion that by secreting from the company that his mother was one of the registered partners of Simopa Paints, he has made himself unworthy of confidence. Shri Sinha has no doubt said that he was not aware of any such business before the date he gave evidence in this tribunal but this statement can hardly be believed in view of the positive evidence of the partners of the firm that long before his evidence here Shri Sinha and other heirs of his mother had sold their mother's share in the business. It is also impossible to believe that Shri Sinha was not aware that her mother was a registered partner of Simopa Paints. From the two paint tins exhibited in the case it is quite evidence that for its business Simopa Paints has imitated the tins used by East India Paints for selling its paints, obviously with the idea to defraud the intending customers of East India Paints and from this fact as also from Sinha's intentional withholding from the East India Paints Company that his mother was a registered partner of Simopa Paints, the authorities of East India Paints could have reasonably suspected that Shri Sinha was helping the Simopa Paints at the cost of East India Paints, his own company. Once such a conclusion company drawn, authorities of East India Paints, could have no confidence in Shri Sinha and from the materials on record I am satisfied that the company has dismissed him from service not because the authorities were satisfied that Shri Sinha was a partner of East India Paints in the benami of his mother, but because they had lost their confidence in him for his not disclosing to them his mother's connection with Simopa Paints. Shri Sinha has no doubt suggested that company has dismissed him for his forming the union of the workers of East India Paints, but this suggestion cannot be accepted by me as there is no evidence or suggestion indicating

that the company was opposed to the formation of such a union. He was drawing a decent pay at the time of his dismissal and I am of opinion that he was dismissed from service as he had lost the confidence of the management for reasons already stated. A dismissed worker in whom the company has lost its confidence, can hardly expect to be reinstated and I hold that not reinstatement but compensation for the unjust dismissal shall be the proper order in case of Shri Sinha. In the case of Victor Oil Co. Ltd., versus Amarnath Das, reported in 1961 II L.L.J. page 113, it has been held that "a workman whom the employer fails to reinstate is entitled to compensation computed on the basis of (a) full salary from the date of wrongful discharge or dismissal till the date when the order of reinstatement becomes final, (b) one month's salary in lieu of notice, and (c) in addition, salary for a further period calculated by having regard to all the relevant circumstances of the case. This basis for calculating compensation cannot, however, be applicable in the case as it is in evidence that Shri Sinha is working in another paint business, viz., Ruby Paints, and I am of opinion that in his case fair justice will be done if instead of reinstatement he is given compensation at the rate of one month's pay for one completed year of service under the company plus one month's pay in lieu of notice.

As regards the other two workers my opinion is that they should be reinstated with full wages and other allowances for the period of forced unemployment. The company has dismissed the both on the ground that they were helping Shri Sinha in his carrying on Simopa Paint business but it has already been held that this case of the company has not been proved. There is also no material to refuse reinstatement on the ground of loss of confidence. As the evidence adduced by the company to prove its charges against these workers is found unworthy of credit it can further be said that the company had never any justifiable reason to suspect their honesty in the discharge of their duties under the company. On the evidence on record I am also satisfied that the company has dismissed these two workers as they were close associates of Shri Sinha as would be evident from the latter's evidence that they had helped him in the formation of the union of the workers of the company, and not because of the reasons mentioned in the latter's dismissal respectively issued to them. It was argued on behalf of the company that as these two workers were very intimate with Shri Sinha when the company had lost its confidence in Shri Sinha it could not also keep confidence in these two workers as well and that for the reason also the company should not be asked to take them back in service. This argument on behalf of the company I cannot accept. Simply because these two workers were very friendly with Shri Sinha it does not follow that they were aware of Shri Sinha's mother's interest in Simopa Paints or were directly or indirectly helping the said company. In this view of the matter and considering the evidence on record I am satisfied that there is no circumstance to justify the company's loss of confidence in these two workers. Accordingly not compensation but reinstatement with full wages and other benefits for the period of forced unemployment will be the proper relief for these two workers.

In view of the findings made above, an award directing the company to reinstate Shri Santosh Bose and Shri Lalit Ghosh with full wages for the period of forced unemployment and to pay Shri R. N. Sinha compensation at the rate of one month's pay for one completed year of service under it plus one month's pay in lieu of notice is passed.

This is my award which is to be implemented within a month from the date of its publication in the "Calcutta Gazette".

GOVERNMENT OF WEST BENGAL

DEPARTMENT OF HEALTH

Public Health

NOTIFICATION

No. P.H./1881/2R-17/67.—7th April 1967.—Whereas the Governor is satisfied that the district of Howrah, excluding the municipal areas, is threatened with an outbreak of small-pox;

Now, therefore, in exercise of the power conferred by section 2 of the Epidemic Diseases Act, 1897 (III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of small-pox and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, small-pox in the said district for a period of six months:—

Temporary Regulations for the Prevention and Control of Small-pox

1. In these regulations, unless there is anything repugnant in the subject or context,—

(a) "Health Officer" means the Health Officer of the district appointed by the State Government, the Chief Medical Officer of Health of the district, or the Subdivisional Health Officer of any of the subdivisions of the district within their respective subdivisions;

(b) "Sanitary Inspector" means a Sanitary Inspector appointed by the State Government;

(c) "Small-pox" means any disease accompanied by an eruption of vesicles or pustules;

(d) "Patient" means a person suffering from or suspected to be suffering from small-pox;

(e) "Medical practitioner" means any person practising the medical profession.

Notices

2. If in any case the Health Officer considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of small-pox he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reasons why such work has been carried out.

3. If any measure which the Health Officer has by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer shall be entitled to carry out the measure.

Cost and compensation

4. (1) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the State Government except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by such person:

Provided that where the conditions which led the Health Officer to pass such an order, are not attributable to any act or default of the person in possession of the property, the State Government may pay to such person the whole or a part of the expenses incurred by him in carrying out the order.

(2) The State Government may recover all expenses incurred by the Health Officer in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

5. The State Government shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations if he has failed to carry out an order issued under these regulations. He shall not direct the patient to be removed from the house unless it is, in his opinion, impossible to make proper arrangements for his isolation therein within the time specified in the order and to the satisfaction of the Health Officer.

Location of disease

6. When a case of small-pox occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, the senior male inmate of the house other than the patient of the house shall, within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing or by means of the chaukidar or other village watchman or headman to the nearest Sanitary Inspector.

7. (1) Every medical practitioner called in to attend upon any case of small-pox shall forthwith give notice of the case by a special messenger to the nearest Sanitary Inspector or to the Health Officer by post and the cost of such messenger in each case shall be defrayed by the State Government.

(2) The doctor-in-charge of a hospital or a dispensary within the district shall forthwith give notice of any case of small-pox brought to such hospital or dispensary for treatment to the nearest Sanitary Inspector by a special messenger and to the Health Officer by post, and the cost in each case shall be defrayed by the State Government.

8. Thana officers shall supply to the Health Officer such periodical returns of cases of small-pox as he may from time to time call upon them to furnish.

9. The Health Officer or a Sanitary Inspector may examine any person who is, or suspected to be, suffering from small-pox or who, in his opinion, may be infected with or likely to spread small-pox.

Isolation of patients

10. When the Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population, he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying, to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the Health Officer.

11. The Health Officer or a Sanitary Inspector may order that any person, who has been in contact with a person found to be suffering from small-pox, shall be segregated for a period not exceeding a fortnight in a manner and in a place to be approved by the Health Officer.

12. The Health Officer or a Sanitary Inspector may order that any person, who has been in contact with a person found to be suffering from small-pox, shall be vaccinated or re-vaccinated within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 10, without the permission of the Health Officer or a Sanitary Inspector.

14. When a patient has been removed from a house for isolation under regulation 10, the State Government shall provide for him free of charge a suitable place, with necessary attendants, diet, etc.

15. No person, who is or has been suffering from small-pox, shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

16. No person while suffering from evident symptoms of small-pox or in the convalescent state of the disease with scabs of pocks on his body shall expose himself in any street, road, public place, shop, bazar or any place used in common by persons other than members of the family or household to which such infected person belongs or shall move from place to place unless he is proceeding to a hospital for admission and treatment.

17. The Health Officer or a Sanitary Inspector authorised by the Health Officer in writing in that behalf may, during the prevalence of any outbreak of small-pox, order that any bazar, shop or other public place shall remain closed for such time as may appear to him to be necessary and may forbid the holding of any fair, mela, or other gathering to which people from several villages commonly or periodically resort.

Miscellaneous

The Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

19. The Health Officer or a Sanitary Inspector may direct the owner or occupier of any premises to take steps to have vaccinated or re-vaccinated within a time to be specified in the order any person residing on such premises and under the control of such owner or occupier if the Health Officer is of opinion that such person has been in contact with any one suffering from small-pox.

(i) that he is so well covered that the discharge and scabs from the lesions do not come directly into touch with the body of the conveyance;

(ii) that he is taken to the hospital direct and the conveyance does not halt at any other place for transacting any business; and

(iii) that excepting one or two attendants for the patient no other person is carried in the conveyance at the same time.

25. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such articles to be carried in any public conveyance,

By an arbitration agreement under sub-section (1) of section 10A of the Industrial Disputes Act the aforesaid employers and workmen agreed to refer an industrial dispute to me for arbitration. The parties submitted to the State Government under sub-section (3) of the said section a copy of the said agreement. The Government of West Bengal by its order No. 391-I.R./IR/11L-297/66, dated the 1st February 1967, published the said Arbitration Agreement.

The issue referred to arbitration is "revision in the rates of D.A. in the context of Award of First Industrial Tribunal, West Bengal, as published in the "Calcutta Gazette" of 26th September 1963.

After receipt of the order of the Government of West Bengal referred to above, I fixed 20th of February for hearing. As I relinquished the charge of the office of the Deputy Lobour Commissioner and took over as Director, E. S. I. (Medical Benefit) Scheme, West Bengal, on 17th February 1967 I could not hear the parties on the aforesaid date. All the parties contacted me on 20th February and requested for carrying on the arbitration despite change in my assignment. I fixed 28th of February 1967 for hearing on which date the representatives of the workmen turned up but none appeared on behalf of the employers. I fixed 6th March for hearing on which date all the parties appeared. On behalf of the owners a request was made for four weeks' time. This was opposed by the Unions. As only one issue was involved and as the Unions had not said anything new in their statement, copy of which was forwarded to the Owners' Associations on 28th February 1967, I allowed only one week's time. The parties were asked to appear on 13th March 1967. Immediately thereafter an application was made on behalf of the employers stating that they needed one month's time for raising preliminary objection against the Arbitration Agreement which they stated, suffered from serious infirmities. The petition was strongly opposed by Unions. The Owners' representatives insisted on a hearing. I, therefore, fixed 8th March for the same. On 7th the Chinese Tannery Owners' Association and the two Unions informed me that the men have gone on strike protesting against the objection petition. On 8th March the parties appeared. The Owners' representative Shri Jiten Banerjee, after some discussion, filed a petition stating that no action need be taken on the petition of objection, which was filed on 6th March. The parties thereafter took time for bipartite negotiations. They informed me on 9th that the negotiations have failed and they jointly submitted a petition for hearing on the 10th and for concluding the hearing on the said date. This was done with the object of early resumption of work by the workmen. Accordingly, I heard parties on the 10th. On the said date the Owners' Associations also submitted a statement in reply to the statement of the Unions which was forwarded to them on the 28th February.

Before I refer to the submission of the parties it will be useful to state briefly the history of the dispute. A dispute between about 189 tanneries and their workmen on various issues including dearness allowance was referred to First Industrial Tribunal by Government of West Bengal. The Award of the said Tribunal was published in the "Calcutta Gazette" of 26th September 1963. Under the said Award dearness allowances were fixed for unskilleds,emi-skilled and skilled workers at the rates of Rs. 30, Rs. 32 and Rs. 34 per month respectively.

The above rates were fixed considering that the cost of living index was 400 (base 1939) in August 1961. The Tribunal further awarded that the rates of D.A. should be revised in January every year. For every 10 points of increase in the cost of living index dearness allowance should be increased by Rs. 1·25, Rs. 1·35 and Rs. 1·42 per month for unskilled, semi-skilled and skilled workers. Similar adjustments may be made when cost of living index falls, but no adjustment to be made below 160 points.

The Unions in their submission stated that their dearness allowances should be increased at the rates awarded by the Tribunal in view of the increase in the cost of living index in the years 1964, 1965 and 1966. They have stated that as a result of ad hoc arrangement on 12th of March 1965 the Owners had given interim increases in the dearness allowances at the rates of Rs. 5, Rs. 5·50 and Rs. 6 per month to unskilled, semi-skilled and skilled workmen respectively. They have demanded that not only the rates should be increased from January 1967 but also arrears increases in D.A. for the previous years be given after adjusting the increments in dearness allowances given in March 1965.

The employers in their statement and submission stated that the Award is no longer binding the same should be deemed as terminated on 12th March 1965 when the increments in dearness allowances was given. They at the same time submitted that they are not opposed to any reasonable and just increases in the rates of D.A. It was further stated on their behalf that they would ungrudgingly implement such increases in the rates of dearness allowances. They submitted that the increases cannot be given with retrospective effect that is, for the previous years as the issue under reference does not contemplate so.

While making the above submission the Owners stated that this industry should not be compared with any major industry such as Steel, Oil, Engineering, Textile, etc. According to them the Leather Industry is a medium scale industry. Its economic position is not good. They submitted that prices of raw chemicals

and machineries have not only gone up on account of devaluation but they have also become scarce. The Industry also does not get adequate supply of raw hides on account of stoppage of import from Pakistan.

My attention was drawn to publications relating to the above problems in the various issues of "The Tanner".

Finally, it was submitted on behalf of the Owners that the arbitration is not a forum for implementation of the Award. The arbitration shall have to de nove examine the issue and give his award.

I may first discuss whether this is a reference for implementation or for fresh decision, there is no doubt that this is not a reference for implementation. The very issue shows that I am required to revise the rates of D.A. and in doing so, I should refer to the Award of September 1963. By agreeing to refer the issue to arbitration the Unions have accepted that the said Award is not subsisting. I accordingly decide that this is not a case of implementation but is a fresh issue for arbitration.

It is nobody's case that the rates of D.A. should not be revised. The question now is what should be the fair and reasonable rates of increases in the existing rates of dearness allowances. The average cost of living index for the year 1966 is 573. The Award was made on the basis of cost of living figures of 400. Therefore, there has been an increase of 173 points. If the rates of dearness allowances are increased at the rates prescribed by the Award then D.A. should rise by Rs. 21.25, Rs. 22.95 and Rs. 24.14. per month. From these, if the increases given in 1965 are adjusted then the net increase comes to Rs. 16.25, Rs. 17.40 and Rs. 18.14 per month. In 1964 the average cost of living index was 480 by the increase of 80 points over the cost of living index on which dearness allowances were based, the workers could have asked for Rs. 10Rs. 10.80 and Rs. 11.36 per month for unskilled, semiskilled and skilled workmen. From the record it appears that the Unions did not ask any further rise in the dearness allowances after the increments of dearness allowances in March 1965. The increments as already stated are at lower rates. The Unions kept quiet until February 1966 when they demanded for increase in dearness allowances. In view of the above it would be just and fair to the parties not to examine whether the increases given in D.A. in March 1965 were adequate or not. For the present purpose the increase in the cost of living index in 1965 and 1966 should only be taken into account. The average cost of living index of 1965 was 507 and of 1966 was 573. The total average increase since Janury 1965 is a little over 90 points. At the rates prescribed by the Tribunal for variation of the dearness alowances the rates of D.A. should increase by Rs. 11.25, Rs. 12.15 and Rs. 12.78 per month for unskilled, seni-skilled and skilled workers respectively As already stated the Owners have submitted above their difficulties. Such difficulties are faced by various industries, big or small, where D.A. have also been increased. The workers are also facing the difficulties on account of increase in the cost of living index. The leather industry on account of devaluation has also been partly benefited as is seen in one of the publications of "The Tanner". Taking all these factors into consideration I award that the existing rates of dearness allowances for the unskilled, semi-skilled and skilled workers be increased by Rs. 11.00, Rs. 12.00 and Rs. 12.50 per month respectively. The increases in the aforesaid rates shall be with effect from 1st of January 1967.

I now come to the demand for increases in the rates of D.A. for 1966. I am not accepting the Owners contentions that dearness allowances should not be revised with retrospective effect. The issue under reference is not limited. It is a fact that the workers did not get any increase in D.A. in 1966 on the basis of the average cost of living index of 1965. The parties were negotiating but they could not arrive at any settlement. It will not be fair to deny some relief for the year 1966 to the workmen. The rise in the average cost of living index tor 1965 was about 27 points. The industry may find it difficult to bear any substantial burden on account of increase in the rates of D.A applicable for 1966. Taking into account the difficulties of the workers and the position of the industry I award that the workers should be paid lump-sum amounts on account of D.A. for 1966 at the following rates within a month of publication of this Award :

		Rs.
Unskilled	..	15.00
Semisilled	..	17.00
Skilled	..	18.00

For reasons already stated I do not award any relief in respect of the year 1965.

On request of all the patries the hearing had to be expedited. The parties extended excellent co-operation or speedy disposal.

ANNEXURE

In the matter of an industrial dispute between Messrs. Buxa Dooars Tea Co. Ltd., P.O. Kalchini, district Jalpaiguri, and their workmen represented by National Union of Plantation Workers, P.O. Birpara, district Jalpaiguri. (Case No. VIII-352/66.)

Shri S. K. DATTA GUPTA, Judge,
Third Industrial Tribunal.

For the Union : Shri N. R. Roy, Advocate.

For the Company : Shri A. K. Joardar, Advocate of Messrs. Orr. Dignam & Co., Solicitors.

AWARD

By order No. 3695-I.R./IR/9L-12/65, dated the 8th September 1966, the Government of West Bengal, in the Labor Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Buxa Dooars Tea Co., Ltd., P.O. Kalchini, district Jalpaiguri, and their workmen represented by National Union of Plantation Workers, P.O. Birpara, district Jalpaiguri, regarding the matters specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, by notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issue

Whether the retirement of Sarbashri Akal Singh and Swaparna Singh with effect from 1st March 1966 is justified ? To what relief, if any, are they entitled ?

On receipt of the order of reference usual notices were issued on the parties fixing 11th October 1966 for their appearance as also for the filing of written statement by the union. In pursuance of the notices, parties appeared on the date fixed and on union's petititon for directing the company to file its written statement first, the company was directed to submit its written statement by 18th January 1966. No written statement was, however, filed by the company on that date and it took time to file its written statement. Ultimately the parties filed a joint petition on 15th February 1966 stating that the dispute under reference has been settled on terms mentioned in the Memorandum of Settlement annexed to the petition and praying for an award in terms of the Memorandum of Settlement. The joint petition was signed by Shri L. M. Pradhan. General Secretary, National Union of Plantation Workers for the union and Shri N. R. Dutta, Manager, Kalchini Tea Estate for the company.

I have parused the terms of the settlement and they appear to me quite fair and reasonable—I am satisfied that the parties have settled the dispute on the terms mentioned in the Memorandum of Settlement and that there is no existing dispute between them. The terms accordingly recorded and a Compromise award passed. The joint petition together with the Memorandum of Settlement do form part of the award.

This is my award.

AWARD

By order No. 5143-I.R./IR/11L-276/65, dated the 22nd November 1965, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Desai Agencies, 58/3 Canning Street, Calcutta-1 and their workmen represented by Optical Workers' Association, Calcutta, 19/2A Pitambar Ghatak Lane, Calcutta-27, regarding the matters specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, 1947, by Notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issue

Whether the refusal of employment to following workmen is justified ? What relief, if any, are they entitled to?—

1. Shri Madan Mohon Chakraborty.
2. Shri Md. Siddique.
3. Shri Zahurul Haque.
4. Shri Raj Kumar Pandit.

On receipt of the order of reference, usual notices were served on the parties and they appeared and filed their written statements.

In the written statemont filed on behalf of the Association it has been stated that as the workers of the company had formed an association for betterment of their service conditions and the association had in June 1964 submitted a charter of demands on behalf of its members the company has victimised these workers to crush the association. The association prays for reinstatement of all the workers with full wages and other benefits for the period of their forced unemployment.

In reply to the association's written statement company filed its own written statement on 10th January 1966 and therein it has not only denied the charge of victimisation but also submitted that of the five concerned workers Sarbasree Madan Mohan Chakraborty, Md. Siddique, and Ramendra Roy have been dismissed from service for prolonged absence from duties without permission of the management, and Raj Kumar Pandit has been dismissed for gross misconduct viz., wilful damage to the company's properties. As regards Zahurul Haque, company's specific case was that he had voluntarily left his service under the company in April 1965 after taking all his outstanding dues including wages from the company.

Evidence was closed in the case on 26th December 1966 and 29th December 1966 was fixed for hearing arguments. Since then parties took several adjournments to compromise the dispute under reference and on 31st January 1967 they filed a joint petition stating that they have settled the dispute out of Court on terms mentioned in the petition and praying for some time for implementation of the terms by the company. On 8th March 1967 they again filed a joint petition stating that the workers have been paid in terms of the joint petition, dated 31st January 1967 and praying for an award in terms of the petition. The joint petitions referred to above were signed by Shri Hira Lal Roy, Advocate for the Association and Shri Biswanath Ash, Advocate, for the company. Shri Mansukhlal Desai, Proprietor of the company, was also a signatory to the joint petitions.

I have perused the terms of settlement and they appear to me quite fair and reasonable. I am satisfied that the industrial dispute under reference has been settled out of Court on terms mentioned in the petition. Under the terms of compromise the company was to pay a certain amount to each of the concerned workers and on 8th March 1967 Shri Hiralal Roy, Advocate, received the payments on behalf of the workers. The industrial dispute under reference, therefore, no longer subsists. Accordingly a "no dispute" award is passed. The joint petitions, dated 31st January 1967 and 8th March 1967, do form part of the award as Annexures "A" and "B".

This is my award.

AWARD

The Government of West Bengal, in its Labour Department, by order No. 3377-I.R./IR/11L-104/66, dated the 24th August 1966, has referred the industrial dispute existing between Messrs. Calcutta Swimming Club, 1 Strand Road, Calcutta-1 and their workmen represented by Calcutta Swimming Club Employees' Union, 74 Mahatma Gandhi Road (1st floor), Calcutta-9 under section 10 of the Industrial Disputes Act, 1947, to this Tribunal for adjudication. The issue under reference is as follows :

Issue

Whether the retrenchment of Mrs. Elizabeth Gomes, an Ayah is justified ? What relief, if any, is she entitled to ?

After the service of usual notices, the Calcutta Swimming Club (hereinafter referred to as the said Club) did not appear and file any written statement, though sufficient opportunities were given to them. Written statement was filed on behalf of the union on 15th December 1966.

In the written statement filed by the Union, it has been stated that the Club is an aristrocratic club for the rich people and the earnings of the club consist of entrance fee, subscriptions, profits from catering food, drink and refreshment and several other fees. A dispute over the issue of gratuity was referred to the Second Industrial Tribunal for adjudication on 20th November 1965. The learned Tribunal passed its award on 7th February 1966 observing that the financial positon of the club was stable, that there is influx of good number of foreigners who would be anxious for club life and as such enlist themselves as members of an aristocratic club like the Calcutta Swimming Club and that the club had immense prospect and stable future. The learned Tribunal made a gratuity scheme for the employees of the club. It is further stated that after the issue of gratuity being referred to the Tribunal, the club in a mala fide manner was contemplating reduction of strength of the workmen so that they could escape their liability to pay gratuity to the workers. With a view to satisfy their ultimate desire, the club

retrenched 5 dressing room bearers in September 1964 without any justification and began to threaten other senior workmen only to evade the benefits of gratuity. It has been further stated in the written statement that the club illegally and unreasonably changed the duty roster of Ayas on 14th October 1965 and 18th October 1965 during the pendency of proceeding before the Tribunal on gratuity, and duty roster was in such a manner prepared that it became impossible for the Ayas to abide by the same. The duty roster will show that the afternoon shift was extended up to midnight, though the club knew that the affected workmen were women. Mrs. Elizabeth Gomes, the concerned Aya, who was serving in the club for the last 10 years, protested against the duty roster by letter, dated,25th October 1965 and requested the club to refrain from changing the working hours after 10 p.m. The club asked Mrs. Gomes by a letter to sleep in the club premises in the night without changing the duty roster. It was not possible for a young woman like Mrs. Gomes to sleep in the club premises in the night. The order of the club was mala fide and shocking and the Aya informed her inability to abide by the duty roster. This step of the Aya incurred the displeasure of the cub and the club planned to victimise Mrs. Gomes, and to deny her the benefits of gratuity. The club suddenly passed an retrenchment order on Mrs. Gomes and informed her by letter, dated 29th November 1965, that she was retrenched from the services from 30th November 1965. This action of the club is mala fide and unfair. It was stated that the plea of adverse financial position and reorganisation is completely baseless and mala fide and that the financial position of the club was always sound. The retrenchment order was also illegal as Mrs. Gomes was neither paid any retrenchment compensation, nor was asked to receive payment prior to her retrenchment. The club after retrenching Mrs. Gomes recruited two assistants working as Supervisors and one of them had already been made permanent. It shows that there was no adverse financial position. The intervention of the Labour Commissioner proved ineffective.

As the club did not appear Mrs. Gomes deposed before me as P.W.1 and another worker of the Club P.W.2 also deposed. There was none to cross-examine the witnesses on behalf of the club.

The retrenchment order on Mrs. Gomes does not seem to be bona fide. It will appear from the duty roster Ext. 1 that Mrs. Gomes was allotted duty on 16th October 1965 from 7 a.m. up to 3 p.m. and on 17th October 1965 from 3 p.m. up to 11 p.m. Mrs. Gomes was thus to remain in the club on duty up to 11 p.m. The duty roster—Ext. 1A, shows that on 25th October 1965, she was allotted duty from 4 p.m. to 12 midnight. Ext. 2 shows that she wrote a letter,dated 25th October 1965,to the Secretary of the club stating that it would be difficult for her to return home after attending her duty up to 11 p.m. or midnight,as the streets were lonely and as she had to walk a few miles in order to reach her home. In this letter, she prayed that she might be put on duty from 2 p.m. to 10 p.m. or allowed her to sleep in the Secretary's office if she was detained after 10 p.m. Ext. 3 is the reply of the Secretary. It shows that the Secretary asked her to sleep in the club premises in the ladies' cloak room, but not in the Secretary's office. Ext. 5 will show that on 29th November 1965, the Secretary wrote to Mrs. Gomes informing her that due to adverse financial position and reorganisation of the club, she had becomes urplus, and as such, she was retrenched from the services of the club from 30th November 1965. The plea of adverse financial position cannot be supported because the learned Second Industrial Tribunal held that the club could bear the burden of the grauity scheme and made a scheme for payment of grauity to the workmen on 7th February 1966; hence the letter, dated 29th November 1965 —Ext. 5—containing the recital that due to the adverse financial position and reorganisation of the club Mrs. Gomes had become surplus to the requirement of the club, does not appear to be bona fide. There is nothing to show that the club's financial position in November 1965 was adverse, or bad, or that for the reorganisation of the club, retrenchment of Mrs. Gomes was necessary. I accoringly hold that the retrenchment was mala fide.

Furthermore, there is nothing to show that Mrs. Gomes was paid any retrenchment compensation, or was asked to receive payment prior to her retrenchment. There is a recital in the letter—Ext. 5—that "the club hereby offers you all your legal dues including one month's wages in lieu of notice and retrenchment compensation under the Industrial Disputes Act." There is only the offer of the club. Section 25F(b) of the Industrial Disputes Act provides that no workmen employed in any industry who has been in continuous service for not less than one year under an employer shall be retrenched by that employer until he has been paid retrenchment compensation which shall be equivalent to 15 days' average pay for every completed year of service or any part thereof in excess of six months. The requirement prescribed by section 25F(b) is a condition precedent for the retrenchment of the worker. The letter—Ext. 5—really amounted to a call to receive payment subsequent to retrenchment. In view of the ruling reported in 1964(I) L.L.J., 525 (National Iron & Steel Co., Ltd., and Third Industrial Tribunal, West Bengal, and others), I hold that the offer is bad and consequently the retrenchment order becomes incompetent.

I must, therefore, hold that the order of retrenchment of Mrs. Elizabeth Gomes passed by the Calcutta Swimming Club is illegal and mala fide. The club is therefore directed to reinstate Mrs. Elizabeth Gomes without interruption of her service and to pay her back wages. This order will take effect within one month from the date of publication of this award in the "Calcutta Gazette".

ANNEXURE

In the matter of an industrial dispute between Messrs. The Basumati Private Ltd., 166 Bepin Behari Ganguli Street, Calcutta-12, and their workmen represented by the Basumati Press Employees' Union, 177-B Acharyya Jagadish Bose Road, Calcutta-14. (Case No. VIII-277 of 1965.)

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri S. K. BHATTACHARYYA, Judge,
Second Industrial Tribunal.

By order No. 4438-I.R./IR/13L-31/64, dated Calcutta the 16th October 1965, Government of West Bengal, in the Labour Department, referred an industrial dispute between Messrs. The Basumati Private Ltd.; and their workmen represented by the Basumati Press Employees' Union to this Tribunal for adjudication on the following issue :

Issue

Whether the termination of employment of Shri Satya Narain Misir, Darwan, is justified? What relief, if any, is he entitled to?

After service of notice on the parties both parties entered appearances and filed respective written statements. The union in their written statement inter alia contended that Basumati Private Ltd. was the successor-in-interest of Basumati Sahitya Mandir and took up the business of said Basumati Sahitya Mandir as a going concern and the employees of Sahitya Mandir were taken in by the present concern with continuity in service and without affecting the conditions thereof. Satya Narain Misir who was a durwan originally under Basumati Sahitya Mandir and subsequently under Basumati Private Ltd., had put in 34 years of service with uniform good record of service. He was an active member of Basumati Employees' Union, which was not at all liked by the management. Satya Narain Misir obtained privilege leave from 24th November 1964 to 3rd January 1965 and proceeded towards his native village in Uttar Pradesh. Before the expiry of the leave, Satya Narain applied for extension of his leave till 3rd February 1965 but no reply was received by him from the company. In the meantime there was a death in the family and Satya Narain was compelled to apply for further extension of leave till 6th March 1965. As no reply was received Satya Narain was under the impression that the extension of leave, prayed for by him, had been granted. After expiry of his extended leave, he reported for duty on 7th March 1965 but was not allowed to resume and on 9th March 1965 he was informed that his services were dispensed with for his absence without notice. It was contended on behalf of the union that the act of the management in terminating the service of Satya Narain Misir was illegal and improper and in the absence of the Certified Standing Orders providing for termination with retrospective effect, it could not be done. The union accordingly contended that the order of termination was unjust, mala fide, illegal and in violation of the principles of natural justice and prayed for his reinstatement with arrear pay and allowances.

The company in their written statement inter alia contended that the order of reference was not legally maintainable as the dispute was not an industrial dispute and the order of termination did not amount to an order of dismissal, company denied any knowledge that Satya Narain Misir had put in 34 years of service or that he was an active member of the union and further contended that Shri Misir was granted leave from 15th November 1964 to 24th December, 1964 on the ground of arranging treatment for his son's wife at Calcutta. He should have reported for duty on 25th December 1964 but he did not report on that date and on 2nd January 1965 an application was received from him praying for extension of one month's leave with effect from 4th January 1965. Shri Satya Narain Misir was informed by a letter of that date that the extension of leave prayed for by him could not be granted and he was asked to resume his duty. He failed to report for duty and the company concluded that he had voluntarily left his job and his name was struck off from the roll and a letter to that effect was issued to him when he reported on 9th March 1965. The company further contends that Shri Satya Narain Misir has lost his lien in the post due to long unauthorised absence without leave or permission and this was a case of automatic termination of service. The company contended that the action taken by the management was bona fide and justified and the worker concerned was not therefore entitled to any relief.

Appearances of the parties are as follows :—

For the Company : Shri A. K. Sarkar.

For the Union : Shri Nikhil Ranjan Roy, Advocate.

Decision

The union examined two witnesses including Satya Narain Misir (P.W.1) and Ram Narain Misir (P.W.2) and the company examined two witnesses, namely, Amiya Kumar Ghosal (O.P.W.1) and Sunil Krishna Chowdhury (O.P.W.2). Satyanarain in his evidence stated that he went on leave from 24th November 1964 to 3rd January 1965 and proceed to his native village Palhampore in U.P. The application for leave was admittedly filed on 15th November 1964 and has been marked Ext.A and bears the date 7th November 1964. From this application it appears that leave was granted to him on the next day. Satya Narain applied for 40 days leave with effect from 15th November 1964. Satya Narain in his evidence claimed that he attended his office during the period from 15th November 1964 to 24thNovember 1964 and his attendance was recorded. Amiya Kumar Ghosal who was establishment-in-charge of Basumati (P) Ltd. at the relevant time in his evidence denied that Satya Narain attended office from 15th November 1964 to 24th November 1964 and signed the attendance register. Attendance register however could not be produced and the reason given was that it was not available. Satya Narain however forwarded an application for extention of leave to his employer which bears the date 31st December 1964. This application has been marked Ext. A(1) and came from the custody of the employer. Satya Narain's contention was that although he applied for 40 days leave with effect from 15th November 1964, he actually availed of the leave from 24th November 1964 and the 40 days was due to expire on 3rd January 1965. In his application, dated 31st December 1964 (Ext. A1) he prayed for extention of further one month's leave from 4th January 1965 and the company appears to have replied to this letter on 4th January 1965 which was sent to him under certificate of posting. Ext. A2 is that letter and Ext. A3 is the postal receipt. The leave of course was refused and Satya Narain was asked to join immediately in the said letter. No exception appears to have taken to the statement made in Satya Narain's letter Ext. A(1) that one month's leave from 4th January 1965 should be granted to him. Had Satya Narain availed of his leave from 15th November 1964 then his leave would have expired on 24th December 1964, and he was due to report for duty on 25th December 1965, consequently there would have been a gap from 25th December 1964 to 3rd January 1965 for which no leave was either prayed for or granted. That being the position Satya Narain's contention that he went on leave with effect from 24th November 1964 does not seem to be altogether unfounded. The company could have easily disprove this statement by producing the attendance register showing that he did not attend from 15th to 23rd November 1964 which would have clearly clinched the issue but instead of producing the attendance register the company's witness merely stated that it was not available. It is not the company's case that the attendance register was destroyed under the rules and as the union in its written statement has specifically raised this plea. it was the duty of the company to find out the attendance register for the period and to produce it before the Tribunal in the absence of any attempt on the part of the company or any satisfactory explanation for the non-production of the same I am inclined to accept Satya Narain Misir's statement and to hold that he availed of the leave from 24th November 1964 and not from 15th November 1964. Satya Narain of course did not join inspite of the letter Ext.A(2) being duly posted and correctly addressed with the postage pre-paid. He of course stated that no such intimation was received by him but it is to be presumed that the letter must have reached in him in a couple of days. Even if be assumed that Satya Narain received this letter and suppressed it, the fact remains that the company did not take any action against him until 9th March1965 when he went to join after returning from his native native village. In the letter of dismissal Ext. 2 it was stated that the extension of leave was refused and communication to that effect was sent to him on 4th January 1965 and as he failed to resume his duty it was presumed that he has left the job without notice and hence his services were dispensed with from the date of absence without notice. This order of dismissal, dated March1965, in my view is illegal and without jurisdiction inasmuch as the company could not produce any paper to show that they were entitled to dispense with the service of an employee under any of the provisions of the certified standing orders or under any of the terms of the contract. Basumati Private Limited has no such certified standing orders of its own but the certified standing orders of its predecessor has been produced (Ext. B) and it shows that habitual absence without leave or absence without leave for more than 14 days at a time would amount to a major misdemeanour for which a worker a may be suspended or dismissed without notice or compensation. As Basumati Private Limited was successor-in-interest of Basumati Sahitya Mandir and as the workman was alleged to have been taken in under the then existing conditions of service termination in the instant case without enquiry and admittedly without a finding, was both improper and illegal and must therefore be held to be unjustified. The company has not been able to show that under the existing terms and conditions of service they were entitled to terminate the service of an employee for absence form duty without leave. In fact the case made out by the company in paragraphs 10 and 11 of the written statement was at variance with the position taken up by them at the time of adjudication; for the company asserted in their written statement that the worker voluntarily left his job and his name was struck off from the roll and it was a case of automatic termination of service. Standing Orders did not provide for any automatic termination of service and when the worker had put in an application for extension of leave to which a reply was sent to him, it cannot be regarded that he had left his job. On the contrary Satya Narain asserted that he did not receive any reply from the company and on 25th January 1965 he again applied for further extention of leave as there was a death in the family. A copy of this application has been marked Ext. 1 and was alleged to have been sent through a cousin brother Ram Narain Misir, who obtained a receipt from the company. This receipt has been marked Ext. 1(a) but it was denied on behalf of the company by the receiving clerk although it bears a rubber stamp of Basumati Private Ltd. Be that as it may. even if, this letter cannot be accepted as a genuine, the termination in the instant case without any enquiry, for what appears to be a major misconduct under the certified standing orders of the predecessor company is both improper and unjustified and the workman concerned is therefore entitled to an order for reinstatement. The fact of death of aunt of Satya Narain has not been challenged and in

the circumstances the Tribunal sees no reason to uphold the drastic step taken by the company in the instant case. On a careful consideration of all the materials on record, I must therefore hold that the termination in the instant case is both improper and unjustified and the workman concerned is therefore entitled to be reinstated. As the workman claims to be out of employment ever since his discharges, he will get half pay and allowances for the break period. This order shall become enforceable on the expiry of 30 days from the date of publication of this award in the "Calcutta Gazette."

This is the award of the Tribunal.

By order No. 5114-I.R./IR/11L-325/64, dated Calcutta, the 20th November 1965, Government of West Bengal, in the Labour Department, referred an industrial dispute between Messrs. The National Sugar Mills Ltd. and their workmen represented by the National Sugar Mills Workers' Union, Bolpur, to this Tribunal for adjudication on the following issue :

Issue

Whether the Management is justified in terminating the service of Shri Balakram Das? To what relief, if any, is he entitled?

Findings

After service of notice on the parties Union filed written statement but the company took no steps. Subsequently a letter was received from the Official Liquidator, High Court, Calcutta, stating that he was appointed as a provisional liquidator of the company and the company has been finally wound up. He took time to file written statement but no written statement was actually filed nor any step taken by him. Subsequently the Union also failed to appear. No sufficient cause for non-appearance was shown by either party and no material was placed before the Tribunal to come to a conclusion one way or other on the issue framed. In the circumstances the Tribunal proceeds under Rule 22 of the Rules and holds that the industrial dispute under reference is no longer in existence. The Tribunal therefore makes a "no dispute' award in the instant case.

I have considered the petition of compromise, terms of which appear to be fair and reasonable and in the circumstances a "no dispute" award is made in terms of the petition of compromise.

By order No. 4767-I.R./IR/10L-116/63, dated Calcutta, the 4th November 1965, Government of West Bengal, in the Labour Department, referred an industrial dispute between Messrs. Naihati Electric Supply Company Limited and their workmen represented by Naihati Electric Supply Company Limited Employees' Association to this Tribunal for adjudication on the following issue :—

Issue

Whether the termination of service of Shri Ramendra Nath Ganguli is justified ? What relief, if any, is he entitled to ?

After receipt of the reference notices were issued on both parties. The Union filed its written statement on 18th January 1966 and the company filed its written statement on 4th February 1966. The Union in its written statement challenged the order of termination of service of Shri Ramendra Nath Ganguli as illegal and without jurisdiction whilist the company in their written statement asserted that Shri Ramendra Nath Ganguli has reached the age of superannuation at the relevant date and that he was not a workman within the meaning of the Industrial Disputes Act.

The matter was thereupon set down for hearing when the parties came to terms and filed a Memorandum of Settlement. The settlement provide for payment of a certain sum of money to Shri Ramendra Nath Ganguli by the company and it was agreed that Shri Ganguli would have no further claim against the employer on any account. The amount, namely, Rupees 3,019·96 Paise was agreed to be paid within 10 days from the date of publication of the award. The terms of settlement was signed by Shri P. Bhattacharyya, Director, on behalf of the company and by the President and Secretary of the Union as well as by the workman concerned.

I have carefully gone through the Memorandum of Settlement, the terms of which appear to me to be fair and reasonable and there is no reason why it should not be accepted or acted upon. The Tribunal accordingly accepts the terms of settlement and makes an award in terms thereof which do form part of the award.

ANNEXURE

In the matter of an application under section 33A of the Industrial Disputes Act filed by Shri Krishna Kamal Banerji and 45 others, all employees of Messrs. BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri L. C. BANERJEE, Judge, Fifth Industrial Tribunal.

The original reference out of which this case has arisen was made under Government order No. 927-I.R./IR/11L-51/64, dated 2nd March 1964, to the First Industrial Tribunal. The present application under section 33A which was filed before the said First Industrial Tribunal, on 14th December 1964 was subsequently transferred to the Fifth Industrial Tribunal by Government order No. 186-I.R./IR/11L-51/64, dated 17th January 1967, for adjudication.

It appears that while the case was pending before the First Industrial Tribunal, the parties filed a joint petition of compromise, dated 3rd February 1966, along with the Memorandum of Settlement, stating inter alia that the industrial dispute between the parties had been amicably settled, and praying for permission to withddraw the application under section 33A of the Industrial Disputes Act. Only one of the signatories in the application under section 33A, namely, Shri Krishna Kamal Banerji, did not join in the aforesaid petition of compromise, dated 3rd February 1966. But thereafter on 28th February 1967 Shri Krishna Kamal Banerji appeared and filed a petition stating his unwillingness to pursue the case and prayed for an award in terms of the aforesaid joint petition of compromise, dated 3rd February 1966, before the First Industrial Tribunal. On the same date, i.e., on 28th February 1967, the representative on behalf of the applicants Shri Anil Das Choudhuri, Advocate, and the Works Manager of the Company filed a joint petition before the Tribunal praying for permission to withdraw the applications under section 33A of the Industrial Disputes Act against the Company.

I have perused the joint petition, and I am satisfied that the dispute between the parties has been amicably settled out of Court. As such, the prayer for withdrawal of the petition under section 33A of the Act by Shri Krishna Kamal Banerji and 45 others is allowed.

The case is disposed of accordingly.

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

The Commission accepts only the age of a candidate as recorded in the Matriculation or the Secondary School Final/Leaving Certificate. In the case of a female candidate whose age is not recorded in the Matriculation or School Final Certificate, any of the following evidence of age is accepted by the Commission:

(1) A certificate from the Headmistress of the School, which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a gazetted officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee, except as provided below.

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

A candidate claiming such exemption must furnish besides evidence required under para.(1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

For a gazetted post, an indigent displaced person shall, in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by him/her will be refunded afterwards. For a non-gazetted post, such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a Gazetted Officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from person interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a Local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not however be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.
